Butch,

There comes a time in every man's life when he must sign his buddy's annual. Mine has come only 2 years, 1 month, and 15 days late. We have known each other a very long time -- since 1948. After I moved to Park Ave. we were the first to become friends and the first to fight. Who won that fight anyway? That was a long time ago, but through the following years we had many great times swimming, canoeing, playing ball, and sleeping on Bob's front porch. That garden party was a real smash especially with me sleeping in the garden. Chalk that up as one good experience. After we turned 18 -- well that was just one beerfest. Now we're older & wiser and that is just old hat. Remember just a couple of years ago when you wanted me to meet your cousin Susie and I flatly refused. Lucky for me that you were a good talker. I won't wish you good luck because you don't need it; you make your own. Now that you're in the Air Force and I'm sort of on my own these little reunions mean quite a bit to me. Before I quit I want to thank you for all the favors you have done for me but your friendship has been the greatest of all. When you read this some 15 or 20 years from now I hope you will think of me just as I am now.

More than a decoration for a cover . . . the seal of Wausau Senior High, a distinguishing mark of a distinguished alma mater.

More than a slogan, "SCIENTIA POTESTAS EST" or "KNOWLEDGE IS POWER" . . . a fact and instigator of a real and timely challenge, to put down ignorance, prejudice, and misunderstanding.

More than a busy rodent, the beaver . . . an ingenious builder, a brave defender, a participating member of his society — the qualities of a valuable citizen of a school or nation.

More than a pine tree . . . an evergreen, unfailing while the rest of nature retreats, ever battling the forces of destruction, ever protecting, ever reaching to new heights while remaining straight and firm.

More than an over-sized autograph book, the WAHISCAN . . . a nearly complete record of one of the greatest years of your life spent in one of the nation's finest high schools.

G. W. BANNERMAN,
Superintendent

Another school year with its multiplicity of activities is drawing to a close. Within a few days our examinations will be over, special reports completed, and books laid aside for the summer months. Baccalaureate, special events, recognition days, and the grand finale — graduation for over five hundred seniors — will become history. As we approach these final days, there must be a realization that many tasks were left unfinished. We are also aware of the fact that a great deal was accomplished during the school year, and that the positive far outstrips the negative.

When school started in September, our spirits were high and our goals were approached with considerable enthusiasm. As we near the end of the school year, we feel like the Olympic sprinter — tired and delighted with our victories. Where some of us have been less than successful, there is a sense of keen disappointment. However, this is the proper time to take new courage and plan for the tasks which lie ahead. Greater effort and determination will serve us well when another school year again presents additional opportunities. Wausau Senior High School is second to none and deserves our very best as we strive to become worthy citizens of this blessed land.

Congratulations and good wishes to the faculty and students on another pleasant and fruitful year.

Sincerely
G. W. Bannerman

Three years ago our class entered WHS as sophomores; striving for a place in our school and a share of the opportunities it offered.

Not without ambition and determination, we soon assumed the responsibility of supplying the school with bookcovers. As juniors, the determination that had gained us a place in school drove us on to greater

heights. We sponsored our Prom and helped make a championship basketball team. As Seniors we had reached the apex with our outstanding class play.

Just as our school needed us to meet the challenge of athletics, forensics, publications, and scholastics, so now the world needs us to meet the challenges of atomic destruction, racial discord and responsible citizenship.

Soon the Class of 1961 will leave these hallowed halls of Senior High. The years ahead will find us walking through other halls in every corner of the nation. Some of us will be at colleges, a few of us will be married, and many of us will find jobs. We shall travel to many parts of the world, but never will we forget these halls where we spent three wonderful, memory-packed high school years.

Senior Award Winners...

Left to Right: MICHAEL KRONENWETTER, State "I Speak for Democracy", State National Council of English Teachers Award; SHARON DETJENS, D.A.R., Elk's Leadership Award; JAMES LARSON, Elk's Most Valuable Student Award; GARY KIRK, Elk's Leadership Award

I SPEAK FOR DEMOCRACY AWARD

Based on a speech entitled "I Speak for Democracy", this contest is open to sophomores through seniors. Students compete on a county, state, and national level. County winners receive a merchandise prize and \$100. State winners receive five days in Washington, D.C. all expenses paid, and the national winner gets a \$5000 scholarship.

DAUGHTERS OF THE AMERICAN REVOLUTION AWARD

This award is given each year as a good citizenship award to a senior girl who possesses the following qualities: dependability, service, leadership, and patriotism. Also a 500 word essay on an assigned subject is required. Local winners compete state-wide for a \$100 bond. The state winners are eligible to compete nationally.

NATIONAL COUNCIL OF ENGLISH TEACHERS AWARD

Each year 25 or 30 juniors who are top English students are nominated by their English teachers for this award. These students are then asked to write a 250 or 300 word autobiography. From this four finalists are chosen and they are announced in their senior year. Local Winners compete state-wide and state winners automatically become one of the 436 national winners. National winners have their names sent to all major colleges and universities and this usually results in scholarships.

ELKS LEADERSHIP AWARD

Although not based on scholarship, this \$150 bond is given to one senior boy and one senior girl each year. The award is based on the following: leadership, 40%; citizenship appreciation, 20%; perserverance and resourcefulness, 20% neatness and arrangement of a brochure, 10%; and compliance with instructions. The local winners may compete on state and national levels.

ELKS MOST VALUABLE STUDENT AWARD

One senior boy and one senior girl receive this award based on scholarship and financial need. They are rated as follows: scholarship, 60%; extra curricular and outside school activities, 10%; personality and leadership, 10% perserverance and resourcefulness, 10%; general worthiness and financial need, 10%. These people win a \$150 bond and can compete state-wide and nationally.

NATIONAL MERIT SCHOLARSHIP AWARD

To be eligible for this award people must be in the upper one percent in a national test. Those in this category then take the College Board Tests, and if their grade is high enough here they are national finalists or winners. A certificate of merit accompanies this winning.

Left to Right: GAYLA SEIDLER, Elk's Most Valuable Student Award, National Merit Scholarship Finalist; LOWELL BAUMGARDT, National Merit, Scholarship Finalist; JAMES FOERSTER, National Merit Scholarship, Finalist; KENNETH LAWSON, National Merit, Scholarship Finalist

GRADUATION COMMITTEE

The purpose of the Graduation Committee is to allow students to have a hand in the planning of their Baccalaureate and Commencement. They have many duties which include selling gradua-

tion announcements, choosing the clergy, planning the program covers, planning the decorations, and choosing the class gift.

STUDENT LIFE

WAUSAU WEEK

Jawing and drawing campaign committee members support their candidate.

Miss Roberta Boller, queen candidate, stuns audience with her beauty and charm.

Sharon supporters, Mark Mueller and Ken Grosskopf, bicycle up votes for their candidate.

The first big social event of the year, Wausau Week, was launched with a "kick-off" assembly on Monday morning, October 17, during which the teachers in charge of the festivities, the queen candidates, and the football team and their coach were introduced.

After two days of vigorous campaigning, the final queen election was held on Tuesday.

The Wausau Week Committee: Standing, Shirley Paul, Miss Olson, Mr. Marquardt, Mrs. Stiff, Mr. Putman, Miss Ellefson. Seated, Mrs. Barnum, Mr. Hylkema, Mr. Boettcher.

WAUSAU EVE

Sheyboygan's Gingersnaps add their talents to a successful Wausau Eve program

Senator Johnson from the state of Confusion opens Senate proceedings in the new teachers stunt.

Wausau Eve, Thursday, began with a movie, "Lili", and a dance. At nine o'clock, the M. C., Gary Kirk, opened the stage show which featured cheerleaders from the University of Wisconsin and Wausau High. "The Gingersnaps", Miss Wisconsin, and various stunts put on by the "Old" (Experienced) and "New" teachers and members of the Pep Club. The highlight of the evening came with the crowning of Sharon Detjens as queen. Another dance, presided over by the queen and her court, was held immediately after the crowning.

University of Wisconsin cheerleaders liven up the Wausau Eve program.

Watch out with that pin, Gary!

Googoo Grosskopf illustrates one of the seniors more intellectual pastimes.

WAUSAU DAY

Mad Hat winners: Brian Brunsch, Jack Radloff, Jim LeSage, Barbara Bush, and Bob Cyr receive their awards from Queen Sharon Detjens.

Wausau Day, Friday, October 21 was set aside as Mad Hatter's Day. At a pep assembly awards were given to the owners of the maddest hats, and with the aid of the cheerleaders the students built up pep and practiced the cheers needed that evening to support the team.

Their support was rewarded as Wausau Week was climaxed by our 34-14 victory over Eau Claire.

Pep Club members don football uniforms during the halftime program to imitate Brock's boys doing pushups.

Silhouettes lining the walls helped to depict the theme of the Fall Dance which was "So Many Memories." It was held in the Girl's Gym on November 18. Sid Kyler and his orchestra furnished the music, and the Spanish Club provided the refreshments.

The highlight of December 16 was the Christmas Dance. The couples danced around a huge Christmas tree in the center of the floor. An old fashioned Christmas was the theme of the dance. Everyone was delighted when Santa Claus paid his annual visit. Music was provided by the Stan Ness Orchestra and refreshments by the German Club. Enjoying the refreshments is Jerry Schmidt while Andrea Miller serves.

"Harbor Lights" was the theme of the Holiday Dance. Fish nets hanging from the ceiling, a lighthouse, a fishing village, and a moss covered boat helped to create the mood. Co-chairman of the event were Mary Juneau and Liz Seidel. The advisor was Miss Schadney.

Valentines lining the walls helped to create the mood for the Winter Dance. Records purchased by the Student Council provided the music. Playing records are Jack Beilke, Lynn Foreen, Linda Boatman, and Jim Carter.

Dances Spark Social Life of WHS...

After every football and basketball game, the students of WHS stormed either the Girl's Gym or the YMCA for the hops. Music was provided by records. The hops helped to soften the blow of losing or climax the evening if the Lumberjacks were ahead at the final buzzer.

CANDY DANCE

Vocalists: Clark Sheerar and Shari Ruth

The Candy Dance, a fitting climax to a successful Candy Sale, was held on April 21. The theme was appropriately "Candyland." Candy kisses, candy canes, and a gingerbread house lining the walls helped to carry out the theme.

At 9:15, the high salesmen and saleswomen were presented. Leading the grandmarch were Ivanette Bluhm, who sold 116 pounds, and her escort, George Clements. After the crowning, Jim Larson, the Candy Sale chairman, presented the cash awards and "Sticky Sam" and "Sweet Chew."

The Tophatters provided the music with vocal selections by Shari Ruth and Clark Sheerar, the alternate Tophatter vocalists. The French Club provided the refreshments.

Candy Court: ROW 1: Shroeder, Graefe, Sonderegger, Seiler, Shanak, Bluhm, Kundo, Dalbec, Zastrow, Nemke, Kelch.
ROW 2: Seebafer, Felch, Naef, Clements, Liebers, Baumann, Hahn.

Serving coffee and pop from the foreground of colorful Spanish posters are Linda Gress and Ann Heinzen.

Selling "les petits gateaux" are Nancy Peabody, garbed as an artist, and Bonnie Anderson, dressed as a French nurse.

Giving a cheery welcome to people buying "kuchen" at the German booth are Jo Anne Vliestra, Lynn Donehower, Ron Yonke, and Mary Sue Winetzki.

INTERNATIONAL NIGHT ...

Climaxing the first International Week in the history of Wausau High was International Night.

Starting the evening was a movie, "Why Study Foreign Languages". The movie answering its own questions showed how people use their skill in travel, business, literature, and other ways.

Dressed in the costumes of the countries they represented, the foreign language students presented skits. Students in the French classes portrayed an American girl in Paris visiting a book stall, artists, a flower vendor, and a sidewalk cafe.

The Mexican hat dance was performed by the first-year Spanish students. The second-year students presented a Latin American night club with a Spanish Combo and a modern Latin American dance.

A panel moderated by Dr. Robert Najem, French instructor at the Extension Center, and made up of Kiki Starzacher and Ritta Kolehmainen, students at WHS, and Alcides Pareya, Bolivian exchange student at Newman, discussed the differences in education in their countries and Wausau.

Take-offs of television programs were presented by the Latin students. The first-year students presented "Dobius Gilliorum" and the second-year students presented "That Wonderful Year, 44 B.C."

A "Ratsfeller" restaurant was the setting for a German band, quadrille dances, and singers who performed in the German skit.

Following the program, each class opened a booth in the auditorium lobby to sell items representing their respective countries.

WHS ASSEMBLIES

Educational Entertainment

Jim Mc Gregor speaks on world sports

The program at Wausau High is intermittently broken by varied and interesting assembly programs. These assemblies give students a break from the routine to enjoy other talents while they continue to learn.

Jim Mc Gregor spoke to the students on the importance of sports in furthering international relations. He cited many humorous adventures he had because of the language barrier.

Fred Lowrey entertained the student body by whistling many favorite songs such as "Tammy" and "The High and the Mighty." Kenneth Goodman amazed the students with his tremendous ability of creating hundreds of different sounds from the organ.

FACULTY ADVISOR
Mr. Woods

"Gone With the Wind," the theme of the Junior Prom, was in keeping with the celebrated centennial of the Civil War. The romantic atmosphere of a southern plantation was created by several misty murals depicting the elaborate garden parties. Potted flowered trimmed trees added to the creation of this effect. A yellow cushioned pavilion, trailed with roses, offered a place for couples to sit and watch the dancers whirl by. Yellow and white streamers canopied the pedestal decorated with roses and a white lacy wrought-iron bench where

the coronation took place. Side lining the dance floor were white pillars and fences wound with roses. The girls serving punch did so from the foreground of a painting showing a crowd at a plantation barbecue.

The Prom was held May 12. King Paul Anderson chose Patricia Russell to reign over the event with him.

Mr. Woods served as faculty advisor. Assisting Mr. Woods were Mr. Reinemann, art, Mr. Gjetson, construction, and Miss Becker, grand march.

Barbie and Kiki dash to their first period class!

Barbie Gahnz represented WHS abroad this past summer. She spent six exciting weeks with the Albert Vanhecke family of Menen, Belgium. Among her summer adventures was a camping trip to the Netherlands, Germany, and Austria.

Taking an active part in student life at WHS was our exchange student from Frankfurt, Germany, Ingrid "Kiki" Starzacher. After returning home, she plans to attend school in Frankfurt and Vienna to become a psychiatrist.

Kiki's mother and brother Karl, 16. Her father is not living.

ELECTION OF SOPHOMORE OFFICERS:

The candidates for the sophomore class officers were John Buzza, Larry Funk, and Dick Roe for president, Bob Mathisen, Dave Patefield, and Bob Reynolds for vice-president, and Penny Gease, Kay Cunningham, and Ellen Balz for secretary. Roe, Reynolds, and Gease were victorious. Wayne Schilling and Annette Bensen (speaking) gave seconding speeches in behalf of presidential candidates.

Each semester the sophomore class meets to elect their officers to lead them through that first big year. Here the students of the sophomore class numbering 498 are meeting in the girls' gym to choose from the above pictured candidates.

From all appearances it looks like a one man, — or rather one girl team with both Sue Stauffer's teammates and opponents being a bit timid, or tired.

However, after a few sessions in gym class, all

Sophomores On The Shelf...

MR. STAATS

PENNY GEASE

DICK ROE
President

BOB REYNOLDS
Vice President

We, the sophomore class, can truthfully say that this year has been a great experience in our lives. Coming to the Senior High School on the first day of the school year was a frightening experience for most of us. The school was large and confusing, and we hesitated asking our upper classmen questions for fear of receiving a "bum steer". Situations changed, however, in a very short time; soon we began to feel at home.

The activities which we were able to attend added much to our social lives. We enjoyed getting in the

school spirit at football, basketball, and various other games.

There are only 488 students in our class compared to last year's class of 542, but in the coming years, we who are called "green sophomores on the shelf" will become the upper classmen and the leaders of the school.

Our sophomore class officers, Dick Roe, Bob Reynolds, and Penny Gease wish to thank their advisor Mr. Staats and the entire sophomore class for their support and help in making this year a success.

TALL TELDER TAKES A SHORT ONE

Because of his height Dave Telder has no trouble with the baskets on the court, but low, drinking fountains really pose a problem for him as well as all fellows his size. It proves quite interesting and sometimes quite funny to watch the tall ones of our school attempting to get a drink. They try many ways and end up bending double or going elsewhere for their water. As we can see from the picture Dave has worked out his own system and it seems to work very well. So don't you tall ones be discouraged you can always find a way to solve your problems.

WHO'S THAT IN YOUR LOCKER, MISSY?

Most likely there is no one in Missy Foreen's locker, but Mary Hood and Nancy Klemm seem to think so. After seeing some of the things that come out of lockers at locker inspections it is not impossible to find someone in there. After all if you can find library books a year overdue, used Kleenex, bobbypins, three-week-old lunches, pictures of movie stars, Mad magazines, and a million and one other things in a locker who says you can't find a person in one. Aside from being collect-alls, lockers also serve as meeting places for groups of girls, groups of boys, and...

Big Job Ahead . . .

Boy, what I could be doing if it weren't for this history theme. Although it looks as if his heart is not in it, Tom Tinkham is busily engaged in preparing for his assignment by using a few reference materials. Books play a very important part in the life of the Wausau Senior High student. Tom, as a potential lawyer, will page through many more books before he finishes his school years. Although they are seldom seen with so many, most students have come to realize the importance of books.

CLASS OF 1962 ...

At the beginning of each new school year candidates are chosen, and from these nominees three people are elected by each class to guide their particular group through the year. In the picture above candidates from the Junior class are being presented to their classmates just before the voting begins. These officers play an important part in the life of a class as it progresses through the

school year. It is the job of these Junior Class officers to select their class rings, which are a symbol of their class, and plan the big event of their school year is the Junior Prom. Class officers are a very important part of school life. Those who run and those who are finally elected have the great honor of being recognized by the fellow members of their class.

JUNIORS SELECT THEIR CLASS RINGS...

MR. ROBERTS

During the busy and exciting days of our last year as underclassmen we, the Junior Class, did our part in helping to make this year a wonderful one.

With precision timing we cleared the many hurdles that confronted us. Juniors could be found participating in sports, forensics, clubs, and an endless number of committees, and most of the time seemed to be doing between 19 and 62 things at once.

Our approaching seniority was realized more fully upon the arrival of our class rings, enthusiastically accepted by all.

Our class pride was again displayed in the Junior Girls' Holiday Dance held during the Christmas season.

The academic skills of the Junior Class were tested by the Merit Scholarship exams as we began to prepare ourselves for college and the future.

Our highest and most outstanding accomplishment of the year was the Junior Prom.

Under the guidance of our class officers, Paul, Jack, and Marta, the graduating class of 1962 looks forward to its most challenging and greatest school year yet to come.

UNDER CLASSMEN

As Robert Thomasgard looks on, Barbara Schmidt gives Wayne Schilling the angle of vision test in Driver's Education.

DRIVER'S EDUCATION is taken by every sophomore in place of one semester of physical education. This course is designed to give the student a basic knowledge in the art of driving safely.

HOME NURSING is a course designed to instruct the girls in the mechanics of caring for and understanding the problems of sick people.

Safety Is Stressed At Senior High...

Miss Tank distributes equipment to M. Kowalchyk, S. Verboven, and L. Matuszak.

Art Is The Expression of Our Inner Emotions

V. Larson, Mr. Reinemann, D. Gease, V. Payne, L. Larson, and R. Foster work on modernistic papier-mache animals.

The ART department offers a wide range of selection from sculpture and painting to a course in jewelry, ceramics, and graphics. There are six art courses which give the students a chance to express themselves in a type of art which they enjoy.

The HOME ECONOMICS department helps to create in the students a greater appreciation for the value of a good life through sewing, cooking, and home management. There are three courses in food, three in clothing, and one in nutrition helping to build better homemakers for tomorrow.

B. Schubring, J. Schmidt, S. Rozmenoski, and J. O'Konek prepare a chiffon cake.

INDUSTRIAL ARTS prepare the student for his future in drafting, woodwork, metalwork, printing, and auto mechanics. There has been much improvement in our industrial arts program this year with the addition of new machinery and electrical equipment.

Peter Kunnanz adds finishing touches to his draft.

Social Studies Teach Us of The World As It Was and Is

WORLD HISTORY is one of the required subjects for the sophomore class. This course is designed to provide the students with a background in the development of civilization in order to prepare them for the understanding of the present.

As John Gresens points out the countries of Europe, Judy Holtz constructs a map.

Mr. Yelich uses models to explain the types of currency used in the United States.

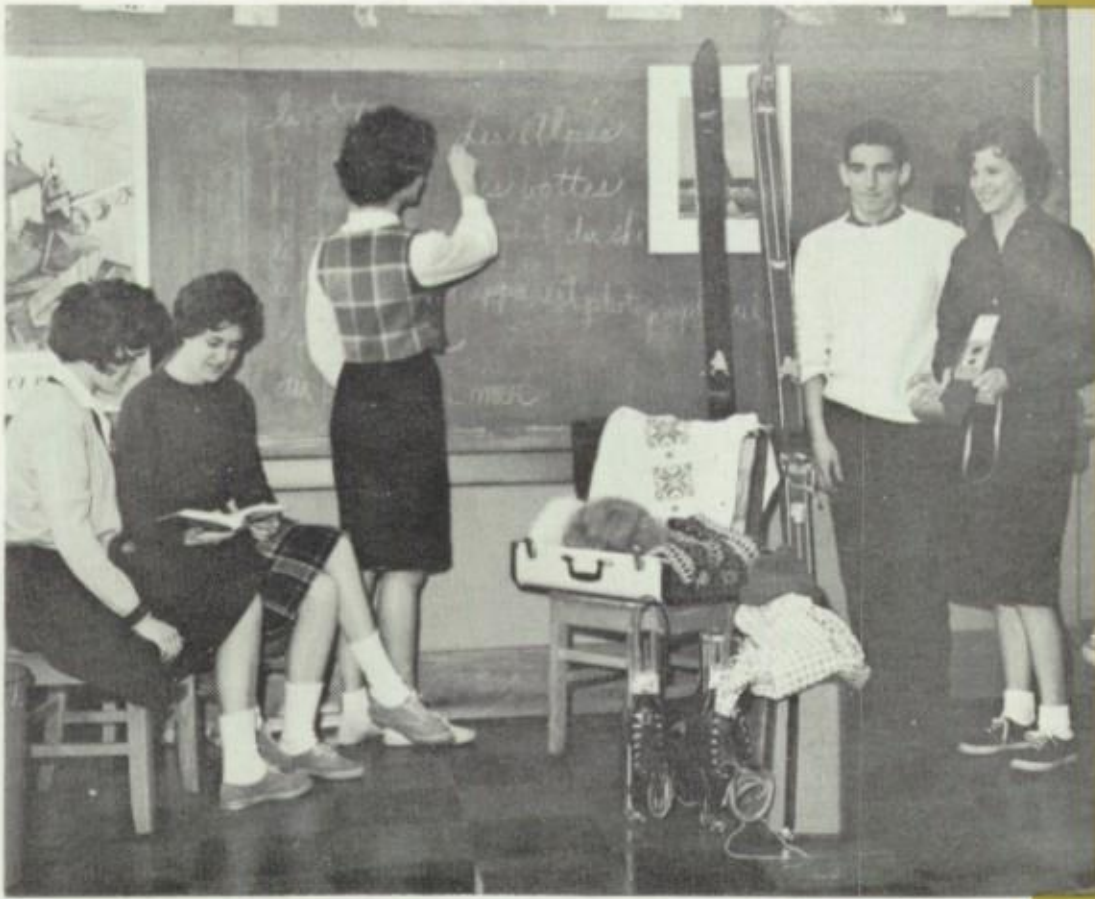

AMERICAN PROBLEMS is divided into three sections. The first is required of all students. It shows how man has adopted himself to his surroundings.

AMERICAN PROBLEMS II, or Economics, gives us a greater insight into the way our economy operates.

AMERICAN PROBLEMS III, known as Family Living, is planned to help us understand the problems of family life.

American Problems students — Lund, Zastrow, Rabn, and Gereau — visit the county jail.

M. Russell, P. Russell, Kahn, Kline, and Arvold make preparations for a trip to France.

Foreign Languages Increase Knowledge of Other Lands

FRENCH opens a new world through the study of beginning French. The course contributes greatly to the student's knowledge and appreciation of French culture and customs and French plays, novels, and newspapers.

SPANISH will start students on the road to speaking the language of Spain and eighteen Spanish-American republics. Skills are developed in reading, speaking, writing, and translating the language.

Miss Bonvincin plays a tape for her Spanish class.

Along with the experimenting done by the biology department, the language department is experimenting with language booths. A student using the booth can record his voice, listen to language tapes, talk to other students with the aid of earphones and a microphone, and cut a record. All of these things can be done without disturbing other students.

M. Whittle plays a tape as Ingrid Starzacher and Nancy Peabody practice pronunciation.

Students work as Miss Schmidt completes bulletin board.

Shakespeare Adverbs and Colleges Keep English Students Busy

ENGLISH VIII is offered only to seniors for whom reading is difficult and whose rate and comprehension are slow. It is a reading course aimed at increasing the students ability to read, understand, and enjoy books.

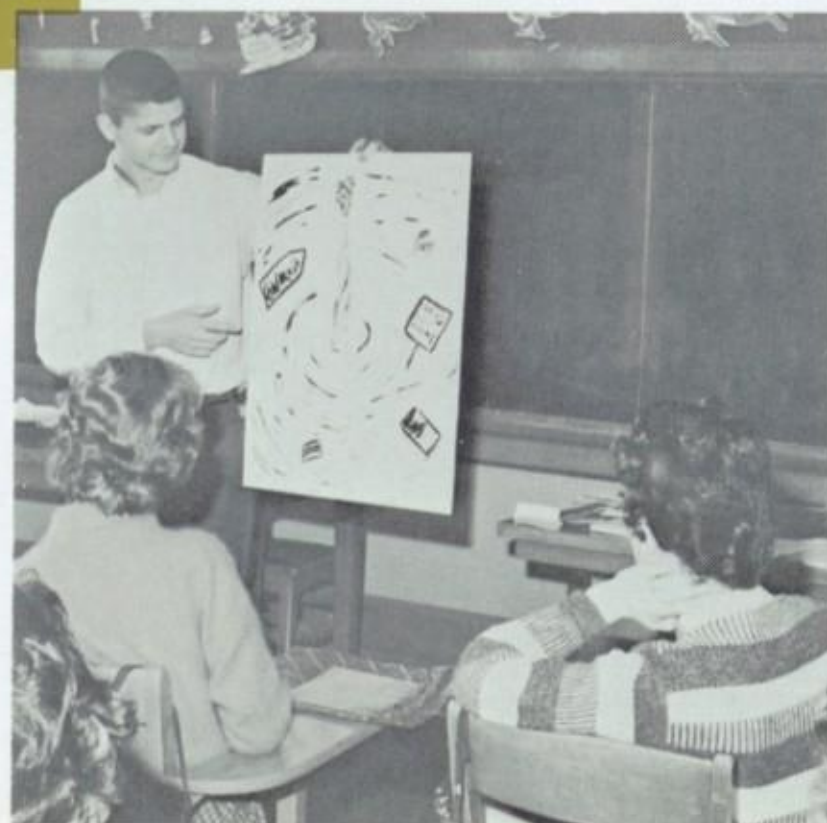

Lucy Ullrich defends the affirmative position in debate class.

PUBLIC DISCUSSION classes are the heart and soul of Wausau High's varsity debate squad. Qualification for the class is determined by the results of special tests and tryouts. The class work this year has been centered around the debate question "Resolved: That the United Nations Should be Significantly Strengthened."

AMERICAN LITERATURE is a course presenting to all juniors the literary growth of the United States. The study of poetry, prose, and drama reveals the development of America. This course provides an excellent background for further study of literature and history.

Dave Conner describes his college to his American Literature class.

In his rare all girl class, Mr. Luttrell explains the process of finding the value of angles.

SOLID GEOMETRY teaches students to think in the third dimension. It's a course which helps one to gain an understanding of problems involving space, such as one would meet in engineering and many allied fields. The course also teaches the art of construction with tinker toys.

Industrious solid students Brown, Folz, Ortwein, and Radloff construct three dimensional geometric figures with tinker toys.

Student With Imagination Investigate Math--- The Science of Numbers

PLANE GEOMETRY teaches the students to arrive at conclusions through logical thinking. The students work with triangles, squares, circles, and other figures.

Science Brings Us To New Frontiers

PHYSICS is the study of matter and energy. It deals with the physical properties of the things around us.

MODERN SCIENCE is the combination of chemistry and physics as they are applied to our lives.

Mr. O'Hearn and B. Krueger conduct a demonstration in the modern science class.

Mr. Berg assists as P. Schield and T. Wienkauf set up an experiment in physics class.

CHEMISTRY is recommended for all who plan to enter scientific, technical, or any of the related vocations. In our chemistry courses each student gets a chance to experiment with the unknown.

K. LeBlanc checks the weight of a chemical as Mr. Hagemann and the other students watch carefully.

The classes of the two hundred students included in the experiment are rescheduled to allow them to spend a two-hour period in the laboratory with a class of twenty-five students each week. These smaller classes meet one hour weekly for discussion and testing of the subject matter covered. This type of scheduling requires four teachers to direct the smaller classes, leaving the fifth teacher of the team free to prepare for instructing the entire group twice a week.

An instructional secretary performs the clerical duties which usually occupy forty per cent of a teacher's time. This permits the teachers to spend more time preparing and evaluating their professional class work.

No final report can be given at present on the outcome of this experiment, because it is only at the close of its first year. The results of the experiment will not be known until its completion in June, 1963.

CLASS DISCUSSION—Miss Olson and class discuss the crayfish.

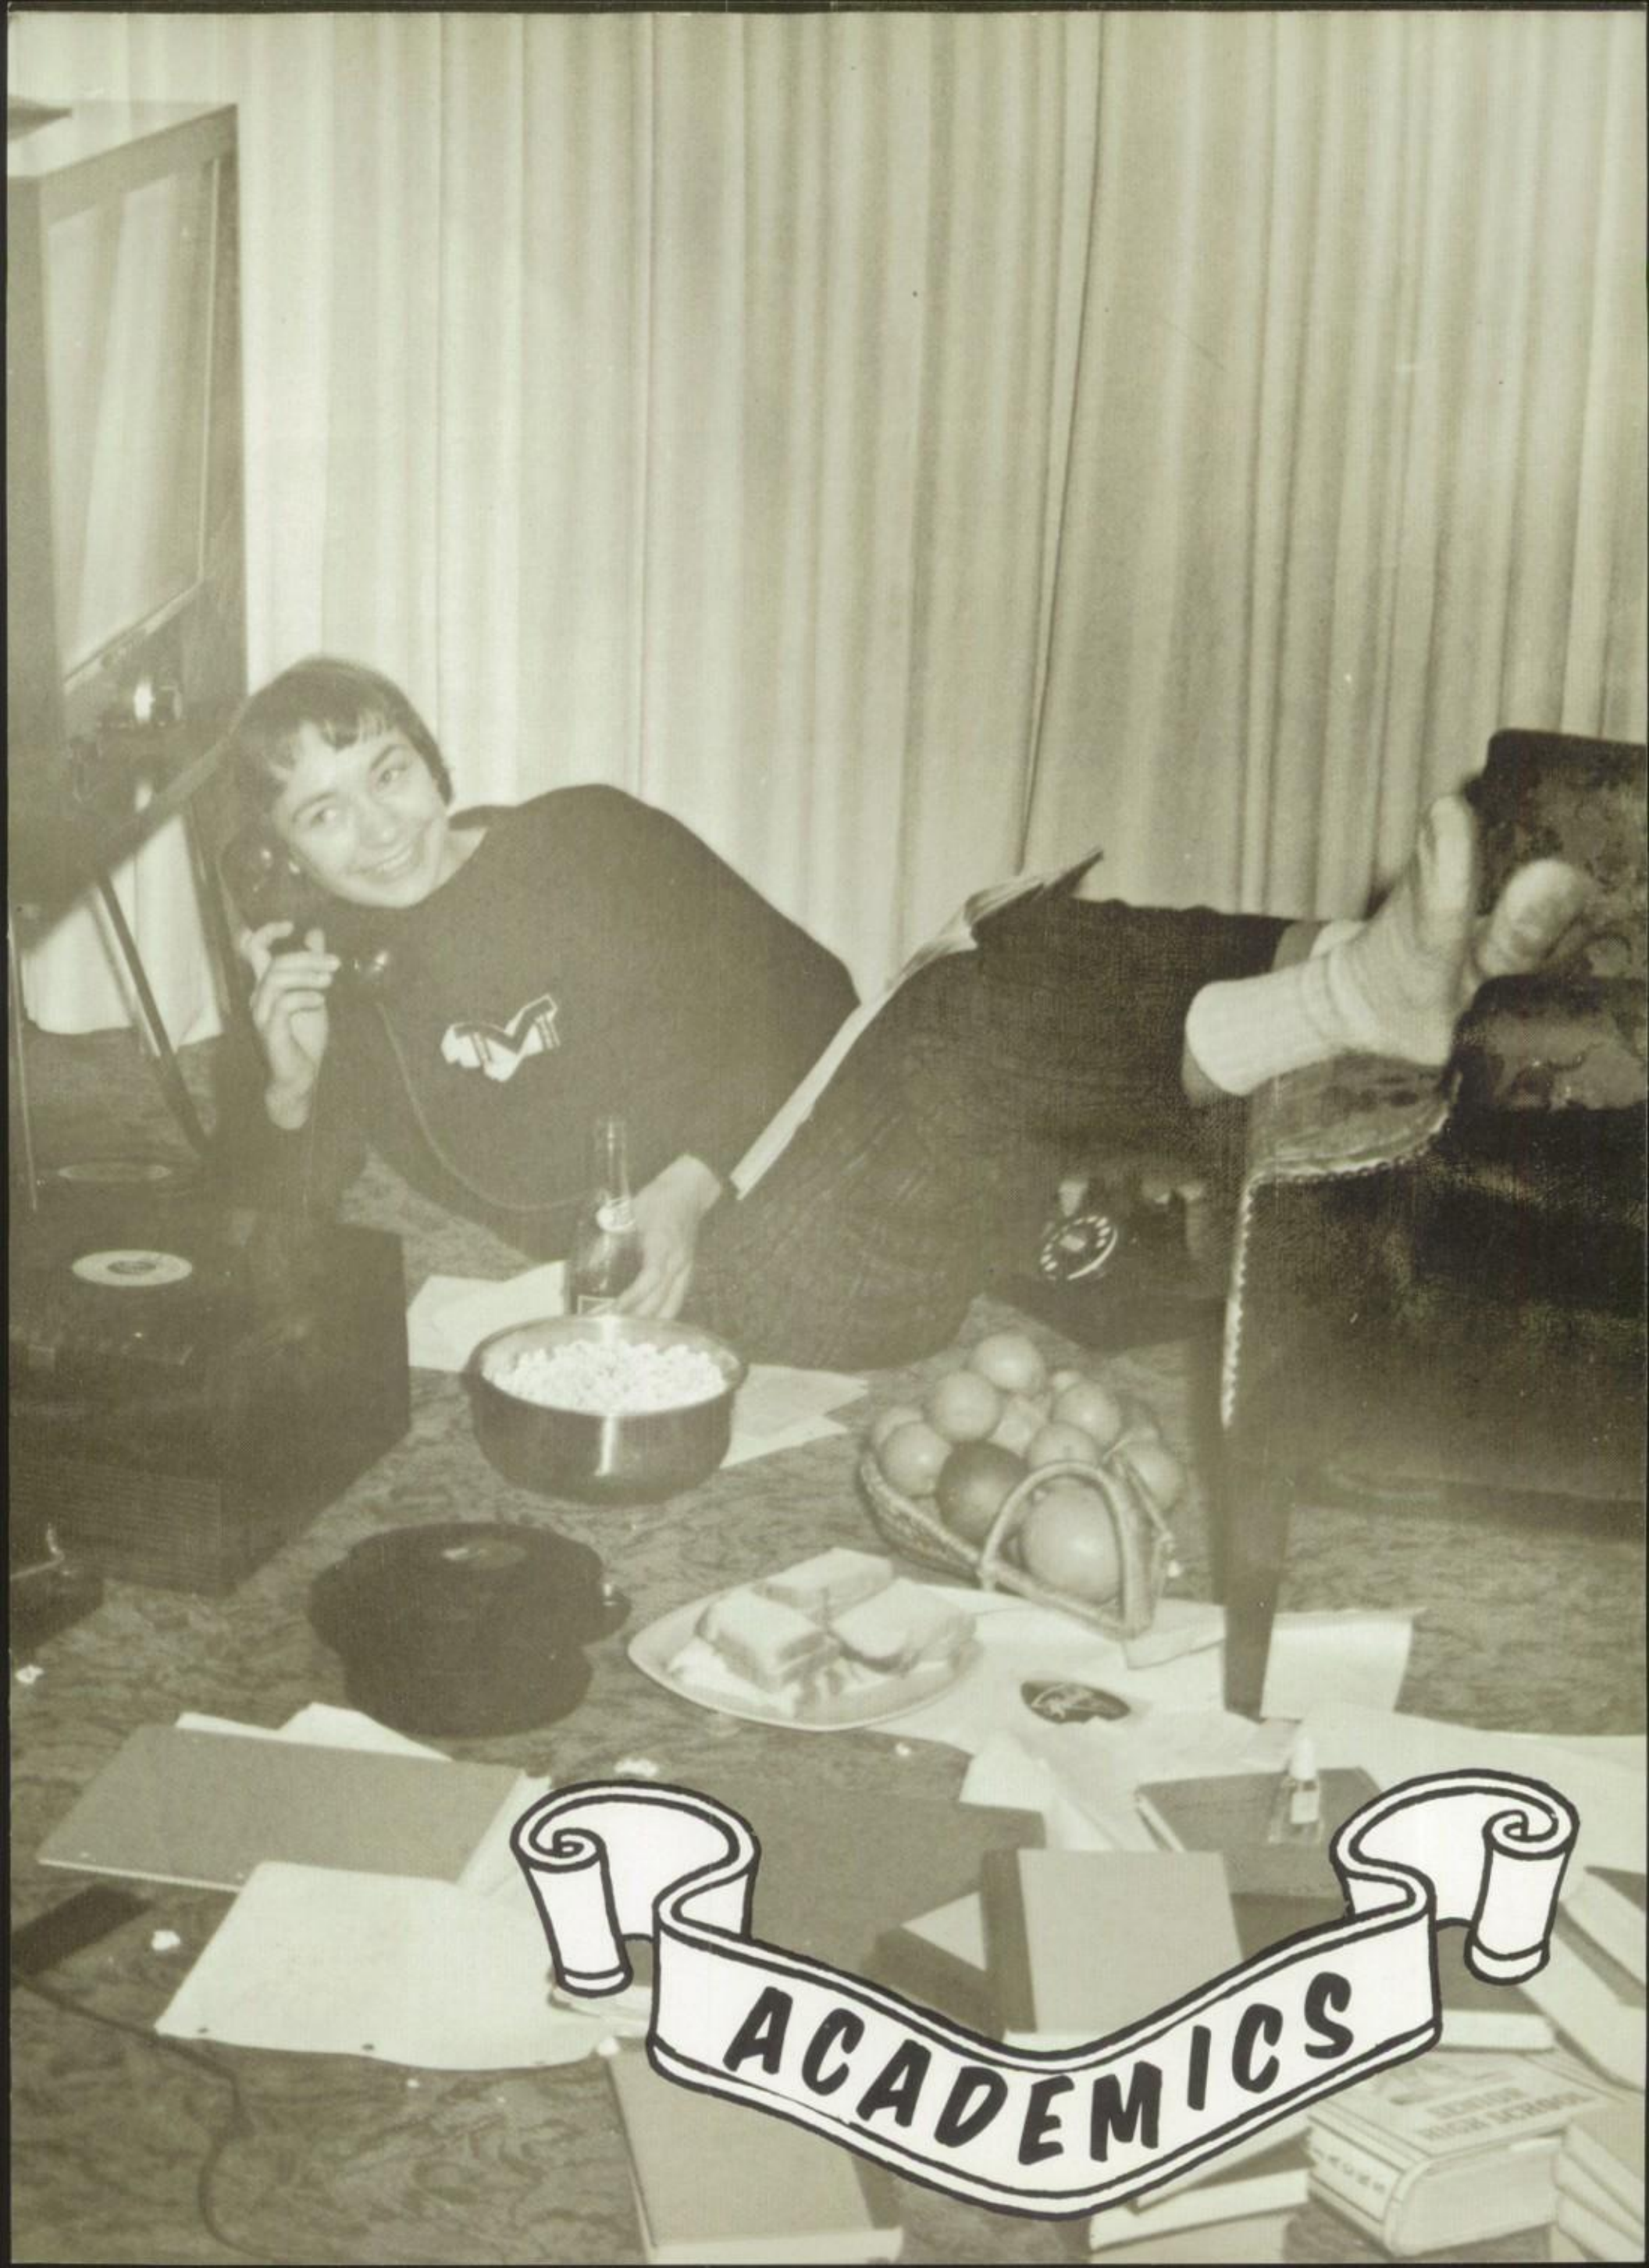

The biology department of Wausau Senior High School is presently engaged in a three year teaching experiment. Team teaching and schedule modification are being used together to improve instruction and to better utilize the time of the students and the available classroom space. If the experiment is successful, it will be used to handle the growing number of students without acquiring more teachers and classrooms.

Under this plan two hundred biology students meet two hours each week for instruction from lecturers, slides, and drawings. The large class is conducted by the department teacher who has specialized in the material the class is presently studying. In this way the strong point of each teacher is utilized and no student is subjected to the weak point any one teacher may have in the field.

BIOLOGY FIELD TRIP....

A unique project involving the biology classes was the innovation of a team teaching study. One benefit of this method of instruction is the scheduling of double-period classes once a week allowing the biology classes to make several field trips.

IS THIS CO-ED PHY-ED?

As sophomores assemble for co-educational physical education classes in the girl's gym . . . Wait! There must be some mistake! Wausau Senior High School doesn't, or at least hasn't up 'til now, that type of . . . Well, there just must be some mistake, that's all; Actually there is a mistake. Pictured here are just a few of the sophomores who participated in the election of their class officers in September. The sophomore class met in the girl's gym for the election, but a few found the seats already occupied.

NO TIME TO SMILE . . .

Too busy to take time out? Yes, sophomores can be seen busily working (but don't get too discouraged when you are looking for them). Larry Funk is actively engaged in his studies although it seems only a small dent has been made in them so far. But wait! Is it really homework? Upon closer inspection we see Larry is actually paging through various high school annuals. Pictured here are just a few of the annuals among the Wahiscan collection. BUT, our search for an industrious sophomore still goes on. Anyone knowing the whereabouts of such a studious sophomore, please let us know.

MUST BE LUNCHTIME !

Judging from the smiling faces of Mary Treptow and Wayne Schilling and the hungry chewing of Ron Ubbloehde on his pencil, it either must be close to lunch time or school's end. However, we'd rather think that it was the end of our search for that industrious, studious Sophomore with the appearance of not one, but three such specimens. These three seem pretty capable and confident of handling the difficult tasks of a Sophomore class, namely the long climbs up to the "shelf".

TWINS and TRIPLETS

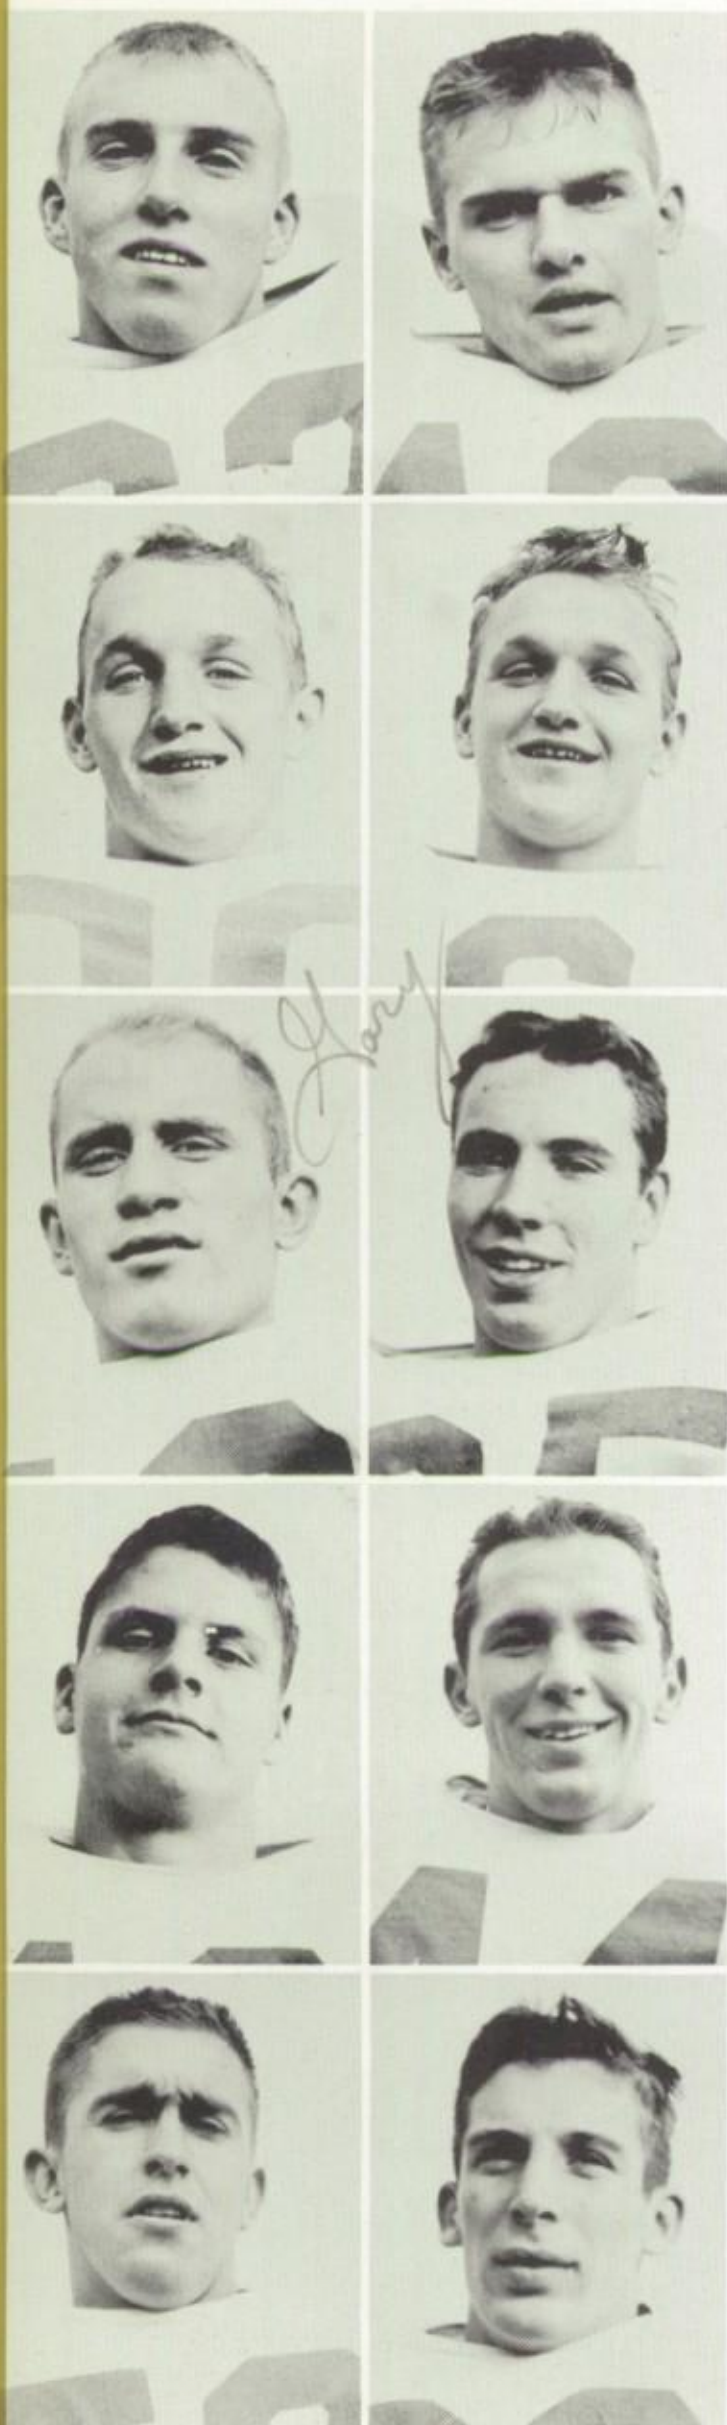

Have you been seeing double lately as you walk the halls of WHS? No, you do not need new glasses, for it could be Jean or Joan, Pat or Mike, Betty or Barbara, or one of the other sixteen sets of twins enrolled here. Twins are remarkably alike. For example: both Joan and Jean Beckman want to go to California after graduation; Barbara and Betty Vincelli both play the cornet; skiing is enjoyed by the Linster twins; Lynne and Ann Prehn both like to travel and see new things. Twins are also individuals for Mike and Pat Russell have entirely different personalities. So you see, twins are very interesting people, and we are fortunate to have them attend our school.

The Firtz triplets, Joan, Jerrold, and Joyce, now juniors at WHS, were born November 9, 1944. They are members of a family of ten.

In Big Rivers Conference

The 1960 Football Season:

The 1960 Wausau football team was typical of those traditionally representing the Wausau Senior High School. This year's squad possessed a strong offensive unit, and from end to end presented an outstanding forward wall. To single out any weakness of the 1960 squad we would most likely look towards the overall linebacking as the weak link in the chain of football strength. The highlights of this year's season can be summed up as follows: the splendid comeback at Menominee, Michigan; the total effort against Eau Claire and Superior; and the high regard our opponents had for us and the naming of some of our players to the all conference and one to the all state team.

Wish we could stay and go through a few more homeroom teachers.

Coming back spectacularly after a half-time deficit of 18 points, the Lumberjacks edged out a rugged Menominee squad 19-18 at the final gun. Primarily responsible for the ragged first-half showing was a bad case of jitters in the Wausau camp. Coach Brockmeyer, however, radically changed the team's desire at half-time and the Jacks put on a second half showing which left little to be desired.

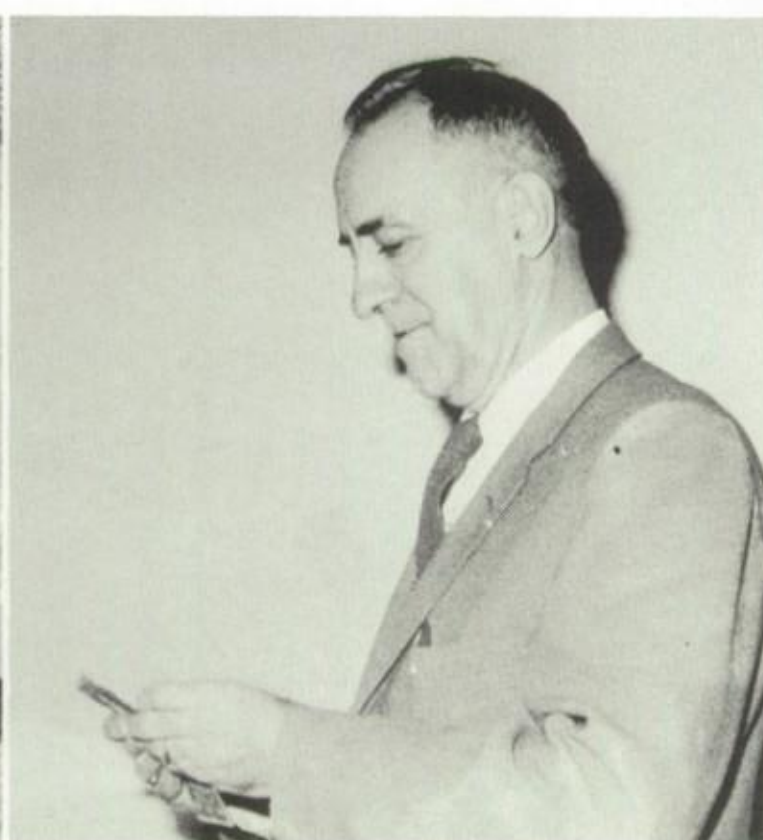

Running hot and cold, Wausau's Lumberjacks finally ground out a 25-18 victory over a tough Central team at La Crosse. Especially bright, however, was the Jack's fine offensive display, as was indicated by Brock's reactions after the game. Jack Palmer was the outstanding player by scoring 24 points and gaining 192 of the 353 yards.

Putting on their finest offensive performance of the season, the Lumberjacks successfully completed their conference schedule by whipping an inspired Eau Claire team 34-14, before a large homecoming crowd. Gary Tarnow took all honors by scoring 4 of Wausau's 5 touchdowns. The win clinched 2nd berth for Wausau in the BRC.

Wausau met a determined Marinette team in the most important game of the season. The Lumberjacks threatened several times but could not break into the scoring column. The Marines scored on a short plunge which turned out to be all they needed to win the game and which ultimately led to the Big Rivers Conference championship.

Wausau's Landrath Placed on All-State Squad

Head Coach, Win Brockmeyer, congratulates Gene Landrath during the fall sports award assembly.

Eugene Landrath, all-state guard selection, gets set in position before his plunge into the line.

Eugene Landrath this year received a coveted honor. He was selected to the first team of the 1960 All-Wisconsin high school football squad. He credits his fine coach, Win Brockmeyer, for much of his success. Landrath, after recovering from two troublesome knee injuries, developed into a fine player during his senior year. He was a vicious blocker and a sure tackler. Landrath

opened up huge holes for the team's speedsters and couldn't be budged on defense. Gene prefers offense to defense, but it is common knowledge that he is very rugged in both.

We of the Wausau Senior High School congratulate Gene for the high honor he attained by his efforts this year.

Mike Schmidkofer throws a decisive block for Gary Tarnow as he makes a good gain before being brought down in the Madison West game.

The 1960 cross-country squad promised to be a good one with returning lettermen Jim Edwards, Ron Yonke, Jim Bradley, Roger Gereau, and Lee Zielsdorf forming the nucleus. However, key injuries early in the season and the lack of desire dimmed the hopes of coach Smiley. When Rick Petzold began running with the top three, things began to jell.

The Lumberjacks lost the Wausau Invitational for the first time in its history. Shawano took first place, followed by Wisconsin Rapids and Wausau.

Wausau's string of dual meet victories was ended at 51 by Wisconsin Rapids. The string started back in 1951 and lasted until the Raiders toppled the Lumberjacks 26-29.

Wausau came up with a good showing in the sectional meet at Green Lake, taking second. Then, the harriers turned in an impressive point total in the state meet, placing second, with 92 points. Milwaukee Bay View, last year's state champs, had 76 points.

Bill Smiley, cross-country coach, has made an impressive record during his ten years at WHS. His over-all record for dual meets is 52-4. His teams have also won the Wausau Invitational 3 times, 4 Valley Championships, 2 Midwest Invitational titles, and 2 state championships.

With the coming of spring much attention is turned toward the Wausau track and field squad. This year, with returning lettermen Vern Bergelin, Jim Bradley, Tom Clark, Jim Edwards, Larry Larson, Bob Monk, Rick Petzold, Gary Wendt and Ron Yonke, the team hopes to improve upon the second place finish of last year in the Big Rivers Conference.

The team completed the indoor season with varied results. The sprint relay team of Rick Petzold, Harold Ramthun, Chuck Revie, and Jim Schewe finished third before 11,000 people at the Milwaukee Journal Relays. A bus load of students accompanied the squad to the

Wisconsin Rapids Indoor Invitational where only half-miler Bradley and shot putter Monk won first places as Wausau finished sixth. However, in the next outing, led by hurdlers Clark, Larson, and Uttech, broad jumper Ken Hahn and miler Ron Yonke, Wausau reversed itself and won the Rapids Relays. Then in the tough Madison West Relays Monk threw the shot put 49'9" to take second place and the mile relay team of Wendt, Bessey, Caillouette, and Patefield finished a respectable fifth. Miler Jim Edwards also showed promise of returning to last year's form.

The outdoor schedule is as follows:

Hurdlers Tom Clark, Larry Larson, and Tom Uttech take warm-up trials over the high hurdles. This year the W.I.A.A. raised the high hurdles three inches.

...Jacks Win 9 - Lose 12

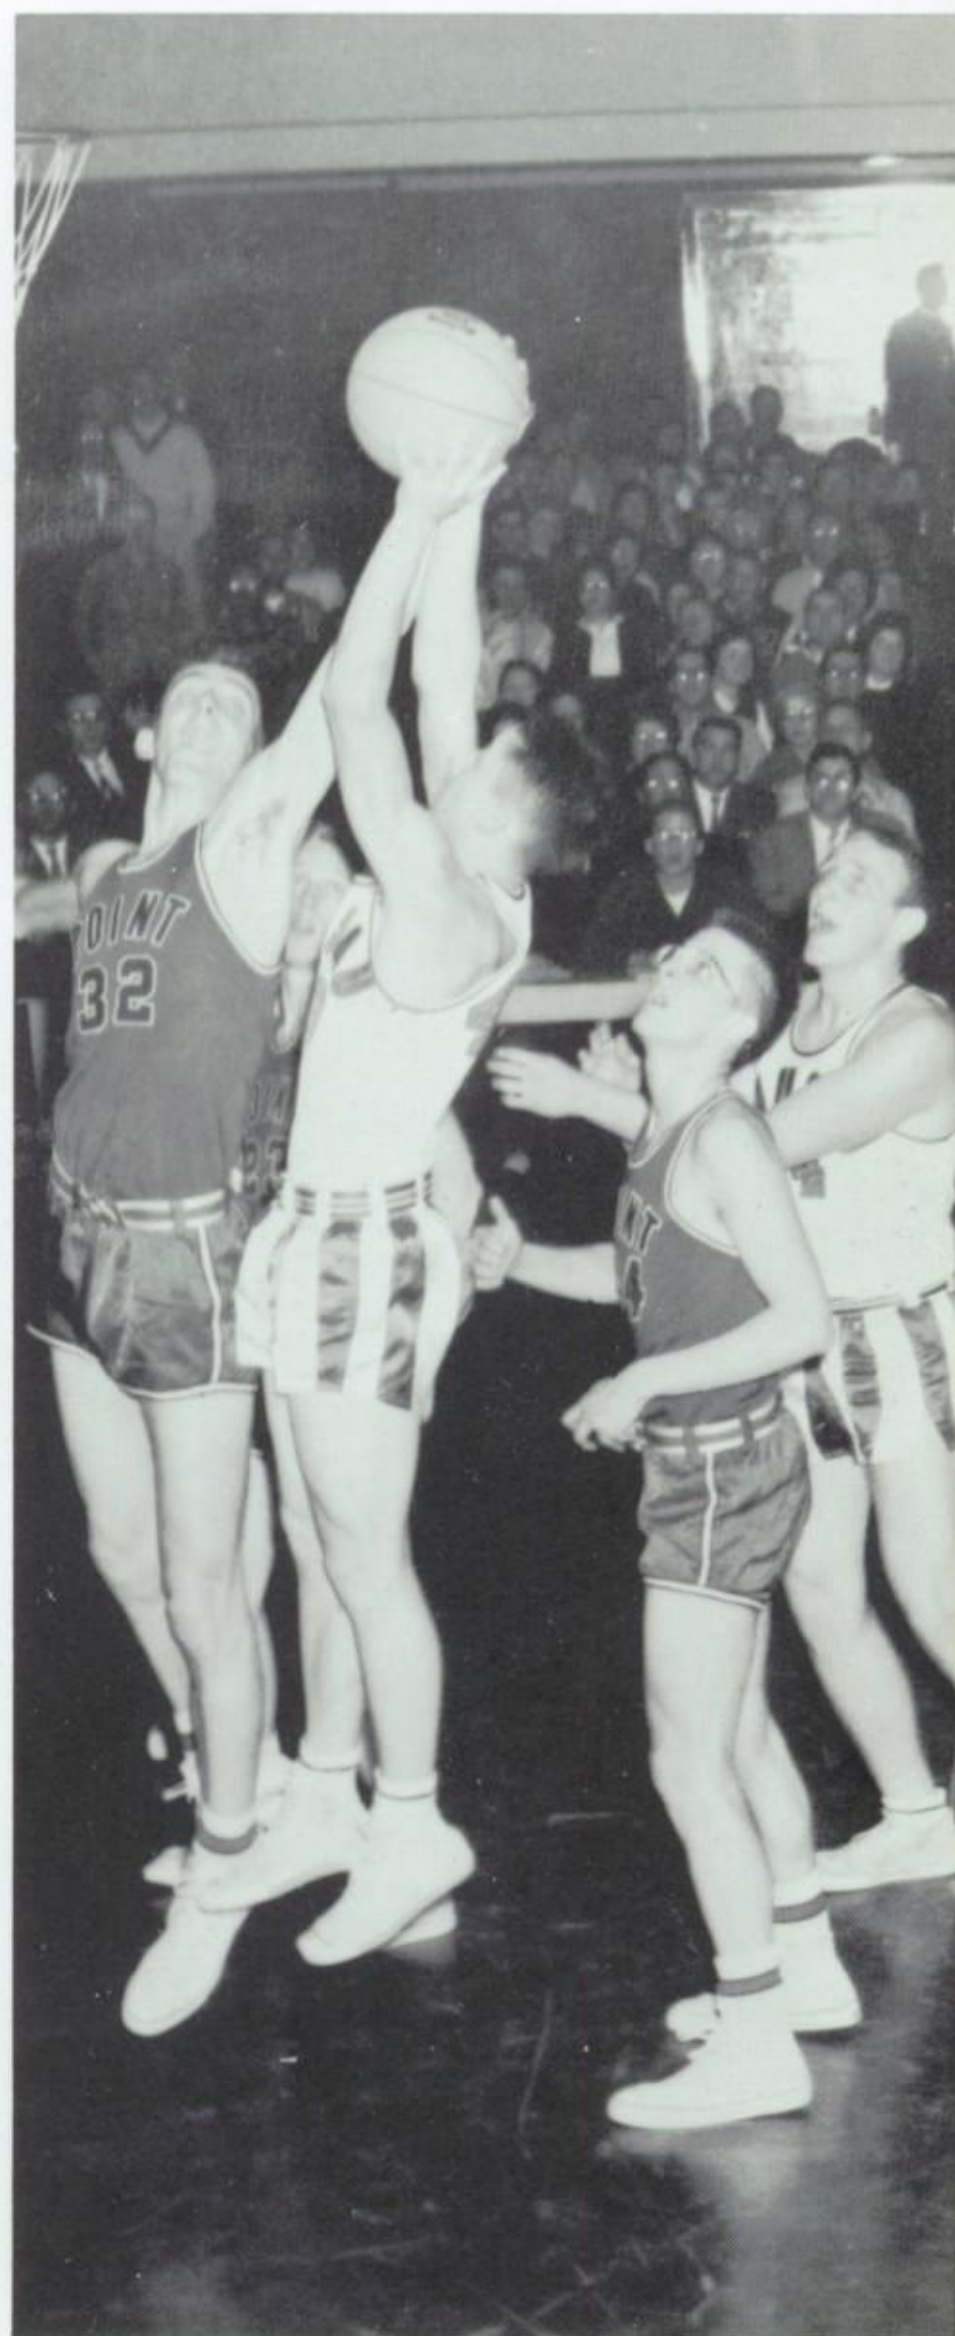

Marsh Taylor, coach of our Lumberjacks for the past eight years, has consistently produced top-notch teams here at Wausau High. Over the years at Wausau, teams under his guidance have compiled a formidable record of 131 wins and only 66 losses.

Season's Summary

Wausau's regular season basketball record of 7 wins and 10 losses is not a clear representation of the brand of ball played by our boys. All the losses were quite close with the largest being by twelve points to Rhinelander. Six teams Wausau played this year were listed in the final Big 16 ratings, and four were entered in the state tournament. Every team Wausau met was determined to defeat the defending State Champions.

We expected a better season but the loss of Gary Kirk for part of the season and the lack of a strong fifth man left the team just average. The brilliant work of Mike Schmidlkofer, the wins over Wisconsin Rapids, Eau Claire, and the Madison teams, plus our good showing against top-ranked Waukesha, provided a few bright spots in the season.

The team is losing starters Mike Schmidlkofer, Gary Kirk, Tom Weinkauff, and Lee Zielsdorf. Therefore Wausau will have to build an entirely new club next year around Al Kuehl who did a tremendous job after being brought up to the varsity in the middle of the season.

We hit our peak in February and at tournament time were not playing the brand of ball which is necessary to go to the state tournament.

Determination marks the face of Lee Zielsdorf as he lunges for the ball during the Madison West game.

"Schmidlkofer Is Best Center I Have Ever Coached"

MARSH TAYLOR

One high-school athlete who will long be talked about is Wausau's Mike Schmidlkofer. Schmidy, who is 6'2" and weighs 225 pounds, was a unanimous choice for the Big Rivers Conference basketball team. He smashed several BRC records: most points scored with 212, scoring average of 26.5, and free throws made with 72. If accurate records had been kept, we're sure Schmidy would have also set a record in rebounding. He was a veritable giant on the boards, collecting about half of Wausau's rebounds. He had 376 total points and his over-all average was 22.1 per game.

Coach Taylor pointed out other qualities which made Mike so outstanding. "He was a hard worker; a boy who took pride in what he was doing. A natural entertainer, Mike was liked by everyone. And equally important, he is an outstanding scholar." Mike not only plays well, but he is polite and continually shows good sportsmanship.

Mike's ability, his natural wit, his friendliness, and his willingness to work hard all the time is a combination that should carry him far after graduation.

Mike Schmidlkofer, Wausau will long remember you for your warm personality and as a great athlete, scholar, and a real tribute to your community.

Two more points for Wausau. Mike Schmidlkofer shows his usual good form which led him to be one of the best players ever to attend WHS.

Coach Torresani had a good group of boys this year. At times the team looked weak but it generally was a tough unit as shown by its 9-7 record. These boys will be next year's varsity players and we look forward to a good year.

Center John Linster goes high and adds two points for the Wausau junior varsity.

Harry Johnson has completed his fourteenth year as coach at Wausau and feels the sport is gaining in popularity as the years go by.

Curling is open to all boys who possess a keen desire to play and have fun. Each boy who participates is instructed in the fundamentals before he starts to play. All the boys who become good curlers will tell you that it takes much practice to develop the right skills.

Nine Veterans on Baseball Roster

Jack Torresani, in his second year as head baseball coach, and the Wausau "9" looked for big things to happen this season with the return of nine lettermen. The veterans are Jaecks, Schmidlkofer, Anklam, Dale Giese, Zielsdorf, J. Mortenson, Mangene, Palmer, and

Weinkauf. As we go to press, they have a 4-1 record. However, their hopes were dimmed when catcher Tom Weinkauf broke a bone in his right arm in the Eau Claire game. Downing, Duranceau, Zastrow, and Voigt should also strengthen the team considerably.

Greg Zastrow, Gary Jaecks, and Dave Voight carried the pitching load this season.

Wausau's slugging infield from third base to first are Pat Mangene, Larry Anklam, Jack Palmer, and Mike Schmidlkofer.

Jim Ramaker and Dave Conner, the doubles team, prepare to return a shot.

Wausau High tennis squads, under Lowell Johnson, who is in his 5th year as the varsity coach, have lost 6 and won 42 matches. Last year they had a 13-1 record, again winning the Big Rivers' Conference championship. Our tennis teams have won the sectional meets for the past four years and have placed in the state meet twice, 13th in 1959 and 5th in 1960.

Hats off to Coach Johnson and his versatile varsity racquet squad.

"A triple!" Both pros and beginners have fun playing dartball during the winter noon hours.

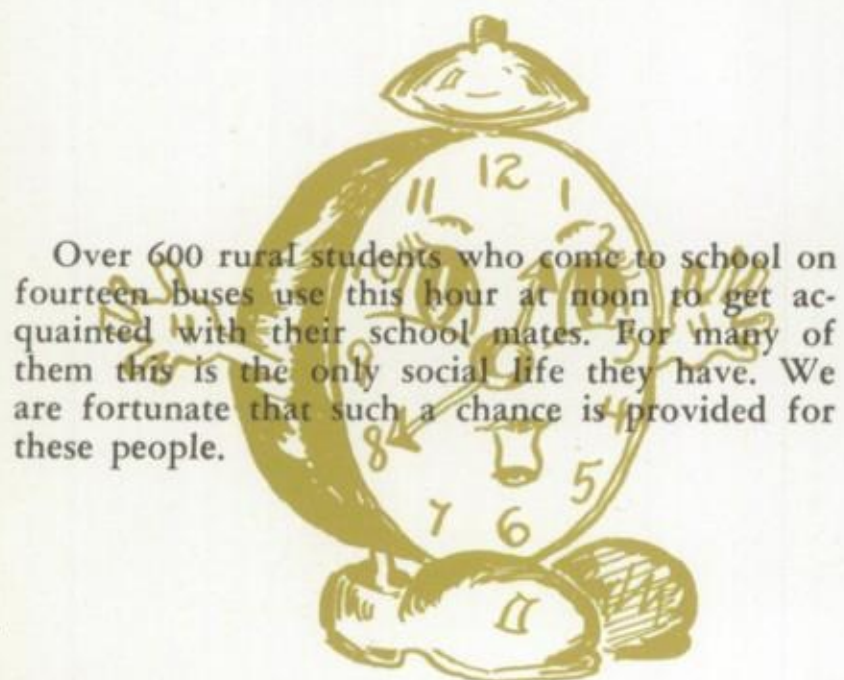

Responsible for checking the games and keeping the game room in order are Dave St. Clair and Tom Klosinski.

Noon Hour Activities

Many long noons were spent by numerous students in the game rooms in the basement of the old building. There are always many playing ping pong, cards, dartball, checkers, caroms, and chess. The boys' gym is also open to the fellows who want to expend their energy at basketball.

Over 600 rural students who come to school on fourteen buses use this hour at noon to get acquainted with their school mates. For many of them this is the only social life they have. We are fortunate that such a chance is provided for these people.

Al Gabriliska supervises the long milk line at the 12:55 rush.

SWIMMING TEAM

This year a group of ambitious boys desired and organized the first swimming team in our school's history. All the practicing was on their own time, and the expenses were footed by the boys. Mr. Smiley and Mr. Reynolds coached them. We hope this project will develop into a fine sport at WHS.

BOWLING

Bob (Swiss) Schwister

Intramural bowling drew a large number of participants again this year. The National League division was won by the All-Americans captained by Bob Schwister with John Young, Terry Kennedy, and Bob Hoffman. Bob Schwister was the high individual bowler with a forty-game average of 175. The King Pinners with Reuben Seehafer, captain, Wayne Denison, Gary Madden, Gary Koch, and Marvin Zimmerman won the American League title. Doug Gibson led this league with a 165 average.

GOLF TEAM

The winners in the double caroms tournament were Gerhard Hannemann and Gary Hahn. Hahn also won the singles division.

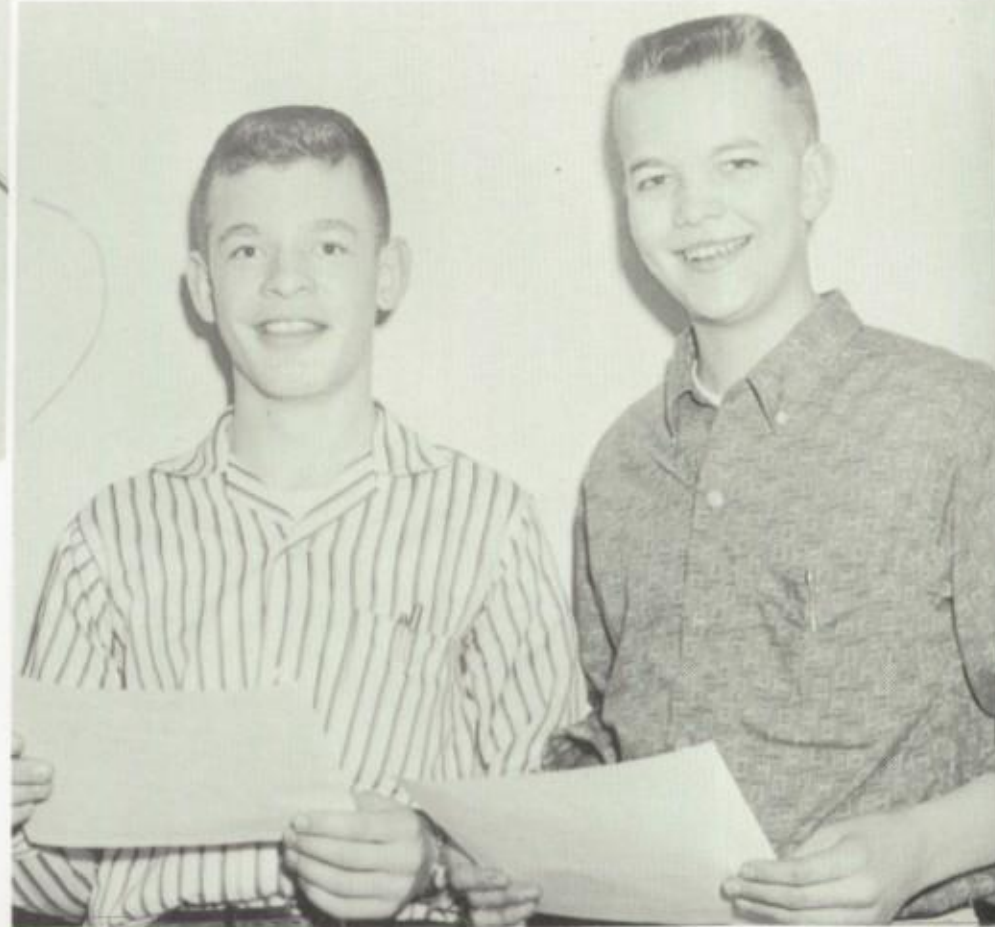

Members of this year's golf squad are Klipstein, Kickhoefer, Plautz, and Lehman kneeling. Standing are Morse, Duncan, Hudson, Lawson, and Thomasgard.

Intramural Sports

George Nelson was the winner in the singles division of the annual ping-pong tournament.

Winners of the doubles tournament in ping-pong were Kenneth Goetsch and Warren Dorau. A good doubles team must have skill and must be able to play well together.

At the lower right is Jerry Goetsch who is the chess champion of W.H.S. Many hours of deliberate concentration were spent to win this title.

The basketball team from the combined rooms of 301, 302, and 160 won the intramural championship. Members of the team were Bob Hoffman, Dennis Giese, Vern Bergelin, Roger Gereau, Dale Giese, and Gary Jaecks. They won the senior section and then defeated the junior winners for the title.

Build Strong Bodies

LEFT TOP: Tom Litzer demonstrates his talents as he vaults over the horse. The horse is used for many gymnastic exercises. Some of these are the single or double-arm cut-off, headstand, flip, and side twist.

LEFT BOTTOM: Alan Geier does a stomach drop on the trampoline. Other boys must surround the tramp at all times to prevent any accident by falling off on a bad bounce. The fundamentals, such as the seat drop and stomach drop, are taught first and later series and flips are attempted.

Hank Debnel strains to do a kip-up on the high bar. This is one of the harder exercises on the high bar and it requires much coordination. Below Hank demonstrates the double-arm cut-off. Lowell Johnson spots for him so that he doesn't fall.

"We hope that these will be the last pictures taken in this gym." This is becoming a famous quotation in the WAHISCAN. For the past two years we have said this but we are sure they will be this time as the new gym will be ready for classes next year. Many hours of sweat and toil have been spent in our old gym but we are glad to see it go.

Cheerleaders...

Head Cheerleaders, Shirley Paul, and advisor, Mrs. Barnum, discuss the schedule for this year's cheerleading program.

The cheerleaders gave their "pep" support to many of the activities throughout the school year. During Wausau Week they sold pom poms, put on skits with the pep club, and cheered our boys on to victory.

The cheerleaders worked two noon hours weekly to practice their new cheers for the games. Here the A Squad took time out for a little "goofing around" at one of their noon hour sessions. "Ugh," says Mary Chrouser. Judy Stav and Shirley Paul, enjoying their easy place at the top, were happy that they were the smallest. Dave Buzza and Gary Ernst are the boy cheerleaders for 1960-61.

The A Squad and a group of teachers selected the B Squad in the fall. This year's B Squad has been very enthusiastic in supporting the B Squad players.

BOWLING CHAMPS

L. TO R.: Eckerle, Rolfson, Schade, Hollman, Felch, Snure, Krueger

Interest and enthusiasm ran high in all activities conducted by the G.A.A. This very large and active club conducted all intramural athletic tournaments and activities. Membership was open to all Senior High girls.

Objectives are: (1) to foster a feeling of friendliness, good will, and good sportsmanship among the girls and (2) to develop interest and knowledge in a wide range of recreational activities.

All activities are under the supervision of faculty members, but management is left as much as possible to an elected group of officers and to the leadership of the

senior sport heads. Medals and awards are presented to individual and team winners. New activities are added when enough interest is shown.

The undefeated Ginger Hollman team emerged victorious from a total of 26 bowling teams. Girls with the highest bowling averages ranged as follows: (1) Darlene Voelker, (2) Virginia Hollman, and (3) Lucille Felch. Donna Rahn defeated Karen Revie to become the ping pong champion. This is Donna's second year as champ.

Girls' Gym Classes

Miss Becker

Miss Tank

Miss Becker, (above left) and Miss Tank, (right) have a big job teaching gym, but besides that, they leave their office open for any casual or troubled visitor.

"Gee, jumping rope is fun!" Kay Mohelnitzky says to Nancy Erickson. Karen Dallman, Mabel Yessa, Sally Kern, and Sue Simpson agree!

Ready? Aim! Fire! And here's hoping for good results. All archery is done inside by sophs and seniors. "Tuck your hand under your chin, Lynn", says Miss Becker. The rest of the girls keep their ears open for bits of good advice.

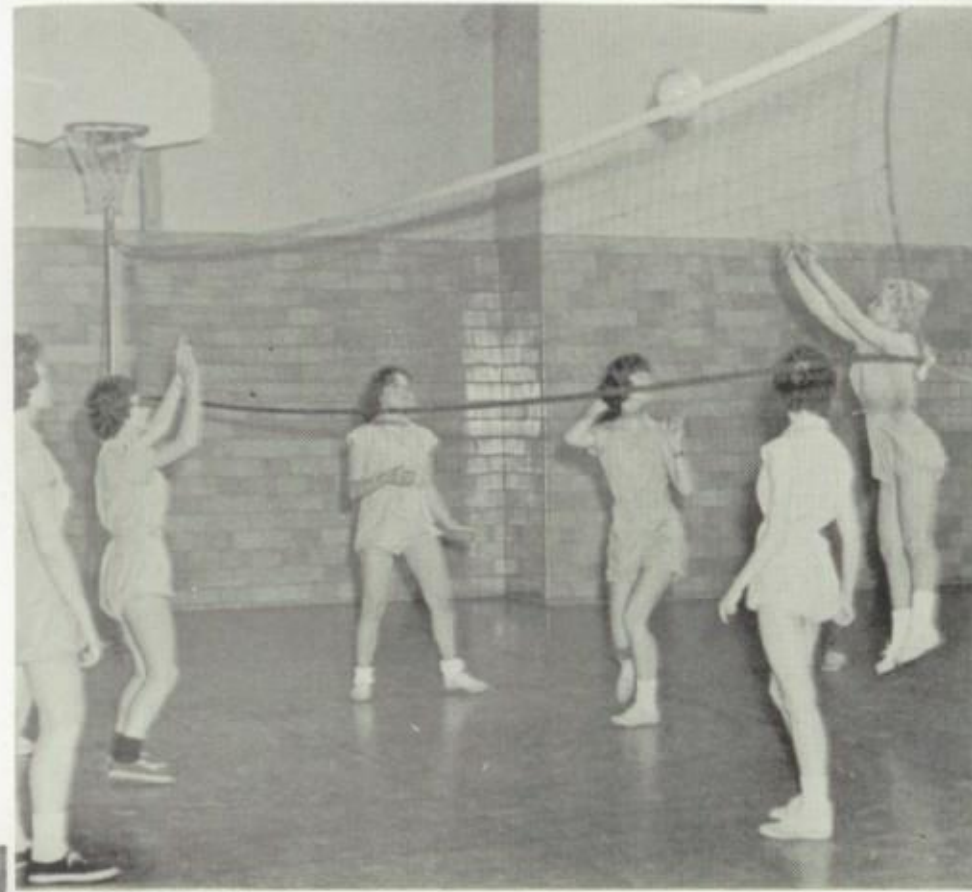

Shaping Up...

"Shaping up" is the primary purpose for gym class exercise. This year emphasis has been placed on strengthening leg muscles. Nancy Erickson, Lynn Donehower and Peggy Mater lead the girls to the rhythm of a drum beaten by Nancy Hett.

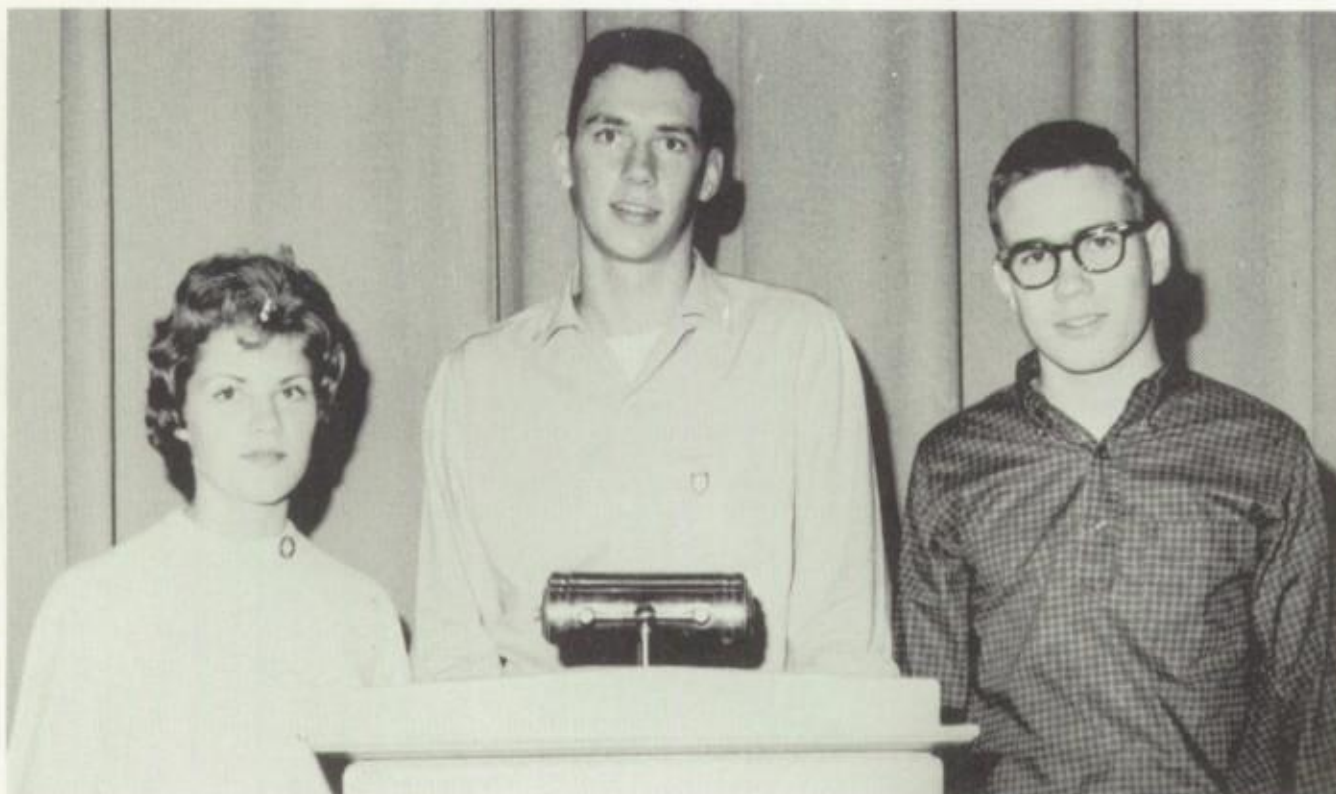

Volleyball is always fun, especially when the game is exciting. Learning rules and playing techniques results in a good, well played game. Sharon Detjens (in the air) hits a nice one, and Lucy Felch is ready and waiting to return the ball.

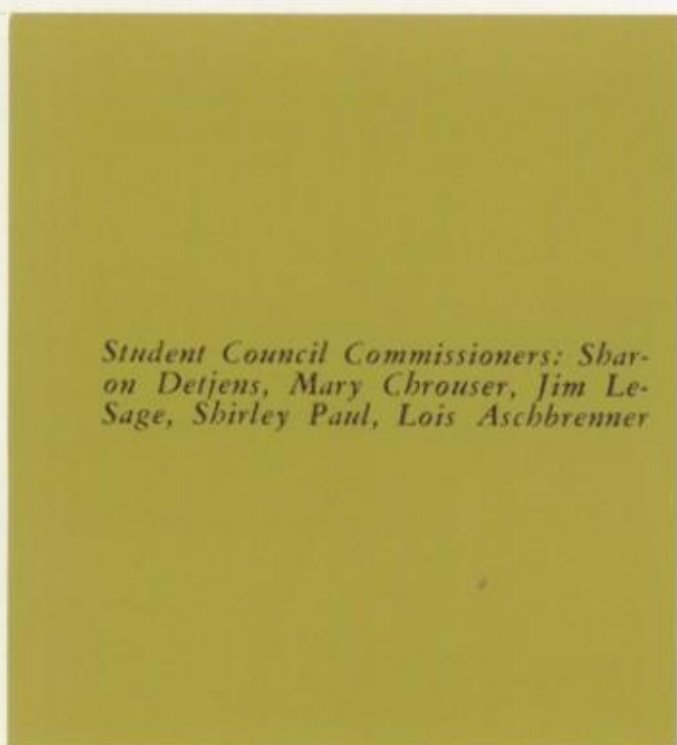

Basketball is the favorite game especially when the "Sophs" get a crack at the experienced seniors. The girls practice throwing, pivoting, and strategy plays before they begin competitive team playing. Peggy McDonald (getting the jump) sends the ball to her teammates.

The Student Council, which consists of an elected representative from each homeroom and officers and commissioners elected by the entire student body, attempts to give each student a voice in the running of our school. The function of the Council is to discuss problems presented by the students and the faculty, to recommend solutions, and to serve as an agency to carry

out the many projects of the school.

The all school dances, the assemblies, much of the Wausau Week program, and the Candy Sale — which raises money to purchase needed equipment for the school and to finance all the preceding activities — are carried out by the Student Council's various commissions.

Debate... Experience Through Competition

The Debaters had a successful season, winning 108 of their 128 debates. The "A" division won 77.5% of their debates and the "B" division won 92%. Invitational meets participated in included those at Eau Claire, Chippewa Falls, Merrill, Whitefish Bay, and Monona Grove. Official meets were the district and sectional, which Wausau won, and the state, where we tied for

fourth place. The question debated was: Resolved: that the U. N. should be significantly strengthened.

Robert Ubbelohde, Scott Duncan, James Foerster, Nancy Klappat, Mary Chrouser, and Thomas Tinkham were named to various honorary teams. Mrs. Marquardt was the debate coach.

MRS. E. SCHEURMAN
Editorial Advisor

Where's the feature article? Quiet! Someone's on the phone. Where's Sally NOW? The editorial? Oh, it's coming — eventually . . . we *think* we'll have one.

And so confusion and noise in 208 goes on and on. We think of assignments for the next issue, assign the articles, send them over to the press, headline them. The next week we reread the copy back from the press, paste the "Dummy" sheet, and FINALLY distribute the finished product.

Of course in between all this we make arrangements for pictures, try to get in touch with reporters whose assignments are late, dash to get information on the last minute news and then hope we can get one of the 60 reporters to write it.

So all in all, the year has been profitable. We appreciate anything that anyone has done for us — to you all.

THANK YOU!

We Did the Work

Another year, another yearbook. Meeting the deadline for this, the thickest of all WAHISCANS, was a great journalistic experience and pleasure for all of us on the '61 staff. Mr. Rosenhauer, Mr. Dzubay, Mr. Irick, and the staff have put in many long hours during the school day and outside of school to produce this annual (hindered somewhat by interruptions of SKYROCKET people). Enjoy it and relive the '60-'61 school year every time you pick it up.

TOPHATTERS...1961

Tophatters is an experience that cannot be forgotten by any of its members. Being part of it is quite unlike being part of any other school group. It is a group of talented people who gather because of a common goal — MUSIC.

Our school is quite unique in offering its students a group of this sort. We are one of the few schools in this area that have a stage band, and

ours is a good one.

I know that this year's show was an excellent example of the great heights that students can achieve. All who were connected with the show can certainly be proud of a job well done.

To me, this organization has been the outstanding feature of my high school years. I will long remember TOPHATTERS 1961.

DANCE BAND

Small groups play a very important part in the production of Tophatters. It is the small groups, the dancers, the singers, and the comics that give the show the wide variety that is needed for a successful evening of entertainment.

Within the small groups can be found the leaders of the various sections. Without the help of fellows such as Jerry Muenchow and Scott Duncan, Tophatters 1961 would never have sounded as good as it did.

The fellow pictured here is Bob Boller. He is indeed characteristic of the kind of person that Tophatters is proud to have as a member. Not only is Bob an excellent musician and a hard worker, but he added a thing that we couldn't do without—humor. Our hats off to Bob.

Cyrano de Bergerac SPRING PLAY

Miss Stelmahoske, director, and Bob Ubbelohde, production manager

Kronenwetter, Hoyt, Howes, Zimmerman

The spring play this year was the tragic love story of Cyrano de Bergerac.

On this page we see the main characters in rehearsal. Over sixty actors and actresses helped to produce the play.

The success of the play rested mainly on the work of Miss Stelmahoske, director. She spent many long hours working with the cast and yet her fortitude and patience held out.

The Show Must Go On!

The purpose of the Book Club, to promote an interest in knowledge through the reading of good books and to acquaint club members with current best sellers and popular authors, was achieved through book reviews and discussions by the club members and by outside speakers.

Officers were: Gary Maas, Linda Weinkauff, Gayla Seidler, and Mike Kronenwetter. Advisors are Miss Larson and Miss Buchholz.

The Drama Club, under the advisorship of Miss Stelmahoske, offered interested students an opportunity to learn about the theatre through observation and through participation. In spite of the club's large membership, many students were able to take part in the wide variety of activities it sponsored. These activities included the presentation of several impromptu skits during the club's meetings and three trips to Stevens Point to see several plays presented by the Canadian Players and by theatre groups from the local college. Two fund-raising activities, a candy sale and a noon-dance, were also carried out successfully.

Chemistry, Physics Clubs Vitalize Science

The Chemistry Club featured speakers on the newer phases of chemistry and demonstrations by club and faculty members. One of the club's highlights was the eighth annual Carmel Apple Sale during which 1368 apples were sold. The proceeds of the sale were given to the Waugonian Scholarship fund.

Officers were: Tom Clark, Jack Torney, Barb Gahnz, Paul Klug, and Bill Archie. Advisors are H. A. Johnson and A. Hagemann.

The Physics Club provided opportunities for seeing and learning of the work of the research physicist. Mr. Grant of the University Extension Physics Department was a frequent visitor at the club meetings and provided some liaison between the university research labs and those of the high school.

Officers were: Vern Bergelin, Fred Uttech, Carrie Pliske, and Dave Telder. The advisor is Mr. O'Hearn.

BIOLOGY CLUB

The Biology Club aimed to develop in its members an active interest in the various forms of living things around them. This was achieved through field trips, wildlife films, and guest speakers. Officers this year included Mary Gjetson, Mary Kay Radloff, and Alan Stack. Miss Olson and Mr. Dix served as advisors.

ASTRONOMY CLUB

Students interested in the study of the stars and planets, as well as the phenomena of the universe, explored these areas in the Astronomy Club. Topics for discussion were chosen by the club members. This year information about constellations, planets, the length of the day, and the causes of eclipses was covered. Officers were Tom Tinkham, Ted Brunell, and Richard Slayton. Mr. Ridge served as the advisor.

The first Wednesday Math Club was composed of students who are taking math courses beyond the normal two year period. This year the club activities featured a field trip to the West Side Employers Mutuals, two films on coordinates and periodic functions, outside speakers, and the discussion of local and state math contests. Officers included Tom Frostman, Roger Gereau, Joyce Gering, and Larry Deutsch. Mr. Luttrell served as advisor.

The Third Wednesday Math Club was open to students who were taking plane geometry and to those who completed this course but have not taken any advanced math. This club sought to enrich its members' background in the field of math through discussions of such topics as combinations and permutations, number theory, probability, the system of obtaining and using telephone numbers, computers, occupations in math, and using the slide rule. Officers this year included Jim Bundy, Richard Palmer, Judy Johnson, and Penny Gease. Miss Hemker served as the advisor.

... And then there are those students who take being in the Math Club seriously like Tom Frostman, president.

Ski and Archery Enthusiasts

The Archery Club's forty members spent their meetings shooting, both in and out of doors. Officers were Darrold Folz, Marv Zimmermann, and Nancy Bentz. Advisors are Mr. Schumacher and Mr. Stade.

Movies, speakers, and a style show informed the Ski Club members of the latest in skiing techniques, equipment, and wear. Various ski parties and trips rounded out the year's activities, supervised by Miss Bonvincin.

Pep Club Officers: Shirley Paul, Nancy Erickson, Bob Boller

Badger Girls' State and Badger Boys' State, which are sponsored by various civic groups, meet for one week on the campuses of the University of Wisconsin and Ripon College respectively. During this time outstanding leaders from the junior class of most of the state's high schools meet to study fundamental principles of American Government.

The main purpose of the Pep Club is to promote school spirit and to create more enthusiasm in backing our teams. Wausau Week and half-time skits, pep assemblies, pom-pom and buttons sales were some of the activities of this active group.

Quill-Scroll Officers — 1961
 Frostman, Ortwein, Duckworth, Rahn

The purpose of Quill and Scroll, International Honorary Society for High School Journalists, is to encourage and reward individual achievement in journalism and allied fields. Applicants for membership must be juniors or seniors in the upper third of their class who have done outstanding work in writing, editing, or managing a school publication. They must be recommended by the publications director and approved by the national secretary.

On April 27, twenty-nine members of our publications staffs were initiated into the local chapter.

The Uthrotar consists of a group of boys chosen for their service to the school and their participation in school activities. Each month two of the boys attend the Rotary Club meetings where they have an opportunity to observe the programs which are presented.

Excellent Opportunity

John Philip Sousa wrote, "With the recognition that every child is capable of learning music and having his or her life enriched by it, there has come the conviction on the part of parents and educators that music should be taught in the public schools, during schools hour, for school credit, and at public expense."

Our band gives qualified students the opportunity to bring Mr. Sousa's idea into being.

In concert, at football and basketball games, at pep meetings, and at the annual Spring Festival, the band contributes to both school and community.

...Music

This year the orchestra studied compositions by Copland, Grieg, Handel, Bach, Mozart, Anderson, and Rogers and Hammerstein.

Its performances included the annual parents' concert, the Christmas program, the D.C. Everest memorial concert, the Spring Concert, the Style Show, the joint concert with the Junior High Orchestra, and the Baccalaureate and Commencement exercises.

The full orchestra competed in the required contest at Stevens Point.

1961 brought to a close the "old pioneer" days of the music department which began 38 years ago when Mr. Grill came to Wausau.

THE CHOIR

Sing Along...

Wausau Senior High offers students an opportunity to better their vocal musical education. This can be accomplished through the taking of either choir or girls' glee club.

Activities of the choir this year included two Christmas programs, for the Kiwanis Club, and for the First American State Bank. The choir and the glee club performed together at the Christmas assembly and at the Spring Concert in March.

Many students from both groups also participated in the Solo and Ensemble Contest in Rhinelander, while the entire group performed at Stevens Point. The choir closed the year with its performance at the Baccalaureate Program.

"Come and Listen - Nothing More"

The Music Club is limited to those students who would like to become acquainted with music on the listening level. The only requirement for membership is "Come and listen—Nothing else." The club dues are used to purchase records and necessary music supplies needed to make up a well rounded and year-long listening program. This program includes all types of music, from jazz to classical. The club advisors are Mr. Mc Donell and Miss Butler.

The Junior Dairymen's Association consists of students enrolled in vocational agriculture who are interested in improving their dairy herds through milk testing and breeding improvement programs. Monthly meetings include field trips to dairy plants and good herds. The State Dairymen's Convention and Dairy Show in June climaxes this group's active year.

Officers were Norman Randl, Merlin Goetsch, Bob Naef, and Gerald Voigt. Mr. Hylkema is the advisor.

The Stage Crew operates the public address and lighting systems, handles the curtains, and constructs many of the settings at all programs held in the auditorium.

During their monthly meetings the group discusses plans for handling future programs, and trains sophomore members.

This year's stage managers were Jerry Hagengruber, James Hoyt, and John Jojade. Advisors are Mr. Gjetson and Mr. Henke.

Mr. Hylkema presents Tom Kurth, President of F.F.A., with an award.

Through its various activities, the Conservation Club teaches members to make wise use of our natural resources. These activities, which center around the School Forest, include planting, thinning, and pruning trees and shrubs for the improvement of the wild life habitat, aiding in the construction of cabins for the school's Outdoor Educational Program, improving upon the main club house and cutting Christmas trees.

Officers were Darrell Bahr, Phillip Kluetz, and Robert Stolze. The advisor is Mr. Curtis.

The main purposes of the Future Farmers of America are to develop character, rural leadership, and good citizenship, to encourage members to develop individual farming programs, and to establish members into farming as their career.

Group activities include local, county, and state judging contests, summer educational and recreational trips, and participation in the local and state fairs.

Officers included Tom Kurth, Jerry Juedes, Bob Becker, Wayne Weiss, Roger Goetsch, and Eugene Brendemuhl. The advisor is Mr. Ben Hlykema.

The Camera Club this year is trying to acquaint members with basic principles of photography. Meetings have been planned around the following topics—making a contact print, developing a negative, making an enlargement, taking pictures outdoors at night, and taking pictures people like.

The Camera Club officers were Tom Short, David Rogalla, and Ingrid Deacon. The advisor is Mr. Shawl.

Developing Pictures and Personalities

The cake isn't that bad, is it girls?

The Home Economics Club is open to senior girls interested in the various topics which appeal to future homemakers — good grooming, etiquette, selection and arrangement of furnishings, entertaining, and child care. The club annually sponsors a service project which raises money for the Waugonian Scholarship Fund.

The officers were Karen Henke, Lynn Wilson, Sharon Mielke, and Darlene Teige. Advisors are Mrs. Baronowski and Mrs. Dzubay.

Looking Ahead?

The Future Nurses Club seeks to acquaint its members with the various fields of nursing and the types of educational programs available in these fields. Club meetings included talks by professional people on the various phases of nursing, X-ray and laboratory work, and educational films. The club sponsors a scholarship for a worthy student interested in nursing or an allied field.

Officers were Judy Lerch, Ellen Urban, Mickey Will, and Hedy Detert. The advisor is Mrs. Cronkhite.

The Future Teachers of America, a national organization sponsored by the N. E. A., is open to all students interested in the teaching field. The purposes of this club are to bring to its members information on opportunities in education, to perform services for the school, and to promote the general welfare of education. Club activities included movies on teaching, talks and discussions, visits to the College F.T.A. chapter at Stevens Point, and the sale of school stationary to earn money for a scholarship.

The officers were Dennis Haupt, Betty Vincelli, Kate Gorman, and Lynn Donehue. The advisor is Mr. Swenby.

That Old Cafeteria Becomes A Memory

The old cafeteria, after serving students and faculty alike for many years, has given way to the new and better unit. The lower prices provided under The Federal Lunch Program now in effect and the modern and spacious dining area were welcomed by all.

The appreciation of the delicious food is reflected in the faces of Jack Torney, Jim Barton, Larry Detjens, and Paul Anderson.

Our competent staff, including eight students, did their best to provide excellent food under the cramped conditions during the year and did so with much success. Many a student was distracted from intensive study (?) as the delicious aroma crept through the building.

New Gym, Cafeteria Dedicated in May

A new gym and cafeteria have been added to Wausau High. A large gym with telescopic bleachers and a modern cafeteria serving over 500 persons are very welcome. Above is pictured a view of the cafeteria section of the addition as seen by the passer-by. Two walls of windows provide a pleasant dining atmosphere for students and faculty members. On the right is the main entrance to the gymnasium. Trophy displays and a ticket window can be seen here.

"All American" lockers—the latest thing providing complete ventilation for their contents—are shown here in one of the three new locker rooms.

A triple-deck oven, a walk-in freezer, and large water heater are just a few of the new facilities available in the new cafeteria.

Watch That Picture!!

The Projectionist Club is open to all students who wish to learn more about modern media for transmitting information. Members learn to operate the sound motion picture projector, tape recorder, film strip machine, slide projector, and other audio-visual equipment, and may act as class room operators during their free periods.

Officers were John Prigge, Jack Radloff, and Sharon Hulke. The advisor is Mr. Staats.

Membership in the Art Club is open to anyone who submits an original drawing to the club officers. Club meetings featured guest speakers, films, exhibits, and field trips, all of which were aimed at extending the members knowledge and appreciation of art. A Christmas decoration exhibit—made by club members—highlighted the annual Christmas party.

Officers were Kathy Kann, Liz Hoffman, and Tina Drott. The advisor is Mr. Reinemann.

What Would We Do Without Them?

The Monitors render a valuable service to our school. These students are selected by Miss Nelson and Miss Hemker, and each is assigned to a special post. Their many duties consist of: carrying attendance slips, special passes, and messages to and from the office; checking lockers; and keeping the halls neat and orderly.

CUSTODIANS

Imagine how much work is involved in maintaining your house and the surrounding yard. Now multiply the size of your house by 25, your yard by 10, and the number of people making it dirty by 425. This is the approximate amount of work done by our custodians.

The students and faculty are proud of and thankful for the excellent work done by this invaluable group of people.

BUS DRIVERS

Another very important service group for our school is the bus drivers. They provide transportation for some 600 Wausau High School students. The fourteen buses in operation travel several thousand miles every year to bring students from as far away as twenty-three miles. Our appreciation goes out to this group for their efficient service.

A Short, Short Story:
(all about Winkelman's)

THE MAN WHO CAME TO DINNER!

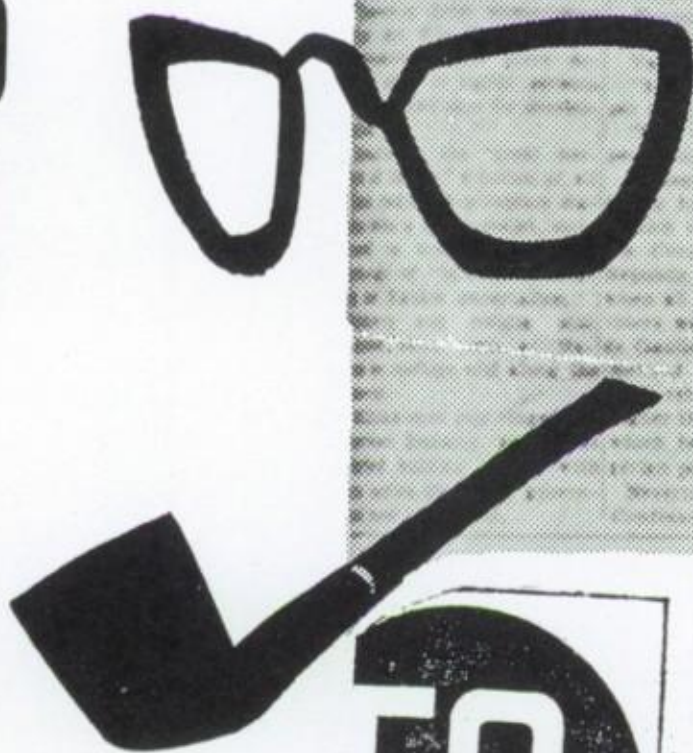

A bright, interesting, informative visitor arrives regularly in thousands of Wausau area homes at dinner time (this is not intended to be a plug for the R-H). For most of you, this newspaper visitor will serve as a "textbook" to inform, entertain and guide you through life.

Winkelman's advertisements, you'll find, are of equal importance! Through these you'll be informed of the varying values of thousands of goods which our buyers gather from all points of the globe. The best items... those which we feel are most wanted, timely and priced right... are published in the ads with the intention of making your way of life just a little nicer, or easier.

So welcome this visitor each dinner-time... he'll help you look, feel and dress better... all at the most economical and opportune time!

Wausau's Best Dressed People Read Winkelman's Style Ads Regularly!!

While sailing through the sea of faces in this year's annual, we have met numerous new acquaintances. We'd like to thank everyone who put a little wind into our sails and gave us the right directions when we were seemingly hopelessly lost at sea.

In the course of our voyages we found that the boys of W.H.S. are outnumbered 790-843, and that the junior class holds the title for being the largest class with 560

students. They are closely followed by the seniors with 556 and the sophomores with 515. Judith and Robert are the most popular first names and Goetsch and Schultz are the most frequently occurring last names.

We are sincerely sorry for any errors we may have made — they were purely unintentional.

We Want To Thank...

Mr. Rosenbauer and Mr. Welch discuss deadlines.

... Mr. Rosenbauer and Mr. John Welch. Rosy is, of course, the WAHISCAN advisor and knows all the ropes when it comes to putting out a yearbook. Without his patience, guidance, understanding, and just plain knowhow, it would have been impossible for our staff to meet the deadline for the '61 WAHISCAN. Thank you Rosy for all your help.

Mr. Welch is from the Fey Publishing Company in Wisconsin Rapids, and he has kept us informed about our deadlines as well as meeting a most important deadline himself—printing some 221 pages for some 1615 WAHISCANS. Mr. Welch made several visits to WHS throughout the year to straighten out any problems we had and give us additional guidance. Thank you, Mr. Welch, for your personal service.

Doug Irick and Mike Goetz pose for a change.

... Mr. Douglas Irick and Mike Goetz. These two gentlemen just never stopped running to satisfy our thirst for more photos. Doug took over 4000 pictures of seniors as well as several thousand additional shots to fill our book. Mike handled much of the camera work for the sports, underclassmen, and student life sections and was always on hand when he was needed.

Doug and Mike had to be willing to take shots for us at anytime and anyplace. Several pictures were taken early Saturday mornings or late in the evenings, at Irick Studio, the school, or several miles out of town, in the rain or snow. Any photographer who will do this must go out of his way somewhat, and this kind of service was appreciated during the past school year. Thank you, Doug and Mike, for your time and efforts.

Miss Ellefson aids with distribution.

... Miss Ellefson. Many of the people who contribute to the success of a yearbook work behind the scene and are not recognized as much for their efforts. It was a real pleasure to work with Miss Ellefson this year, because she handled most efficiently all of the 1615 subscriptions for the '61 WAHISCANS. This was one tremendous task. Thank you, Miss Ellefson, for your fine work.

... Mr. Dzubay and his business staff. It is highly improbable that this book could have been financed without the ad section unless each of you reading this book paid several more dollars for it. This staff put in many tedious hours of walking, checking, walking, and double checking. Thank you, Mr. Dzubay, Karen, and the rest of the business staff for your vital contribution.

Of course, my personal notes of appreciation go out to Nancy and Ginny and the rest of the staff workers who all came through on their own and thereby contributed to the team effort. Thank you, fellow classmates on the staff.

Finally, for the completion of this book, my thanks go to:

Kenneth Schoen visits from "South of the Border".

... Mr. Kenneth Schoen. Mr. Schoen is from the S. K. Smith Company of Chicago where the cover for this book was made. He provided a wide variety of colors, lettering, and materials for yearbook covers from which we chose this one. We hope the students like it as much as we do. Mr. Schoen also gave us a good deal of assistance in developing the official WHS seal which you see below and on the cover. Thank you Mr. Schoen, for your assistance and service.

Ray,
 I'm sure going
 to miss you next year.
 Hope all your wishes
 and dreams come true.
 Don't forget me next year.
 Hope I see you in the near
